

is this: Do you seriously
think of leaving Ottawa
for Toronto? Don't you
think that the federal
government is a much
larger sphere of action
for you, for your ability
and intellect than the
local government. Who
would not be proud
to be a member in

Ottawa, would he be
nothing more all his
life?

Please don't think
me a "busy body" to speak
so far like that. I wish
you would think me
your friend and then
you will understand my
motives.

Yours
Thompson.
