Portage La Prairie

Hon. Arthur Meighen

Dear Sir:

I was sorry to miss seeing you when you were in Portage. If you are coming out to Portage again this fall I would like to meet you at G. Sissons home, if you have the time, & you could let me know when you would be here.

We are all in our usual health I do not feel very well yet, but, am improving lately & trust I may be some use yet.

The threshing is pretty well advanced & some of the crops on summerfallow is turning out fairly good & the quality is good most of the wheat grading 1st & 2nd.

Trusting to hear from you I will close for this time
Yours Truly

Henry Kirkwood
