Sir,

The following are the articles
to be inspected by you for this
Department at the Kingston Penitentiary,
upon receiving instructions from
the Commissioner of Dominion
Police to proceed to Kingston
for that purpose. (See list herewith)

You will be good enough,
if the articles are passed as
satisfactory, to hand the accompany-
ing letter to Mr. John Crighton,
Warden of the Penitentiary. Should
there, however, be any failure

Mr. Patrick Stringer,
Dominion Policeman,
Ottawa.
