In reply I beg to any that as remarked by you the Keeneekoowenin band is certainly not entitled to more than two councillors and consequently the Department must correct its letter of the 14th inst. and confirm only the appointment of Makay Flett, No.60, and David Furne, No.27, as councillors, these two having received a larger number of votes then the other candidates.

Asst. Reputy and Scoretary.

Indian Agent,
