Ottawa, February 10, 1916.

Sir,-

I beg to acknowledge your letter of the 27th ult. asking the Department to secure from the Order of Independent Order of Foresters the copy of the will of the late Mrs. Joseph Lefevre which was filed with them by you in the capacity of guardian of the children of the deceased.

In reply I beg to say that, as you appear to have corresponded with the Order, it is considered best for you to make application there for a copy of the will. There does not appear to be any copy on file in the Department.

Your obedient servant,

Asst. Deputy and Secretary

Mr. Frank Jacob,
Caughnawaga,
