MEMORANDUM FOR MR. READ:

Re: Honours and Awards - Parliamentary
Select Committee.

You will remember that last autumn you prepared draft terms of reference for a special committee.

These terms of reference were subsequently revised in the light of a discussion in Council on January 20th, 1942, by the Associate Minister of National Defence. Attached is a copy of the revision.

The subject was deferred in March, but was discussed again in Council yesterday, it being agreed that to the attached terms of reference should be added a proviso excepting Titles.

Would you be good enough to suggest an appropriate draft proviso to be inserted in the Resolution, for consideration by the Cabinet today?

A. D. P. Heeney.
