BALDNESS.

A BEAUTIFUL HEAD OF HAIR is the
 grandest ornament belonging to the hu-
 man frame. How strangely the loss of it
 changes the countenance, and prematurely
 brings on the appearance of old age, which
 causes many to recoil at being uncovered, and
 sometimes even shun society to avoid the jests
 and sneers of their acquaintances; the remain-
 der of their lives consequently spent in retire-
 ment. In short, not even the loss of property
 fills the generous thinking youth, with that
 heavy sinking gloom as does the loss of his
 hair.—To avert all these unpleasant circum-
 stances, **OLDRIDGE'S BALM OF COLUMBIA**
BIA stops the hair from falling off on the first
 application and a few bottles restores it again.
 It likewise produces eyebrows and whiskers;
 prevents the hair from turning gray, makes it
 curl beautifully, and frees it from scurf. Nu-
 merous certificates of the first respectability in
 support of the virtues of Oldridge's Balm are
 shown by the proprietors.

Read the following:

ROBERT WHARTON, Esquire, late Mayor
 of Philadelphia, has certified, as may be seen
 below, to the high character of the following
 gentleman:
 The undersigned do hereby certify that we
 have used the Balm of Columbia discovered
 by J. Oldridge, and have found it highly ser-
 viceable not only as a preventative against the
 falling off of hair, but also a certain restorative

HEADACHE.

DR. E. SPOHN, a German physician of
 much note, having devoted his attention
 for some years to the cure and removal of the
 causes of **NERVOUS AND SICK HEAD-
 ACHES,** has the satisfaction to make known,
 that he has a remedy which by removing the
 causes cures effectually and permanently this
 distressing complaint. There are many fami-
 lies who have considered Sick Headache a
 constitutional incurable family complaint. Dr. S.
 assures them that they are mistaken, and la-
 bouring under distress which they might not
 only alleviate, but actually eradicate by the use
 of his remedy. It is the result of scientific
 research, and is entirely of a different charac-
 ter from advertised patent medicine, and is not
 unpleasant to the taste. To be had of

PILES, DROPSY, SWELLINGS, ALL
SORES, RHEUMATISM. It is abso-
 lutely asserted on the most positive proof that
 the above complaints are arrested and cured
 by the timely use of Hay's Liniment. It is
 impossible to find room in this paper to present
 those proofs which are conclusive and convin-
 cing. They may be seen at length as below.
 The true article has a splendid engraved
 wrapper, with agents' and proprietor's name,

VICTORIA HOUSE.

(RUE SOUS-LE-FORT—QUEBEC.)
GEORGE ARNOLD, PROPRIETOR.
IS now open for the reception of visitors
 The situation and accommodation of the
 premises combine advantages unequalled by
 any similar establishment in Quebec, and un-
 surpassed in the Canadas. The arrangements
 have been made under the immediate superin-
 tendance of the proprietor, and as the business
 will be conducted by himself personally, every
 attention will be ensured to those who may fa-
 vor him with their visits. To those gentlemen in
 particular who are connected with the business
 of the port, the situation of the premises, in the
 direct vicinity of the Steam-Boat Wharves, and
 Custom House, offers great advantages; and to
 the public in general, the arrangements of the
 establishment are such as to present every con-
 venience. On the ground floor are an exten-
 sive, Salon and Reading Room. On the first
 floor are two spacious rooms, which by means
 of folding doors between, may, whenever re-
 quired, be converted into one magnificent
 apartment of 70 feet by 32 feet, and 15 feet
 high; a dimension which renders it a most eli-
 gible place for meetings, &c. The numerous
 apartments contained in the three upper stories
 are fitted up for the accommodation of families
 and individuals. A spacious gallery on the
 roof commands a splendid view of the harbour
 of Quebec and the surrounding country.
 The Wines and other liquors of the establish-
 ment will be of the first order; refreshments of
 all kinds may be had throughout the day; and
 it will be the study of the proprietor in pro-
 viding for his guests to combine moderate char-
 ges, and superior accommodation.
GEO. ARNOLD.
 Quebec, 23d June, 1838.

NOTE.—Lumber Merchants and others con-
 nected with that branch of commerce, will
 meet with every accommodation and attention,
 at the above establishment, the proprietor hav-
 ing for many years past had an extensive ac-
 quaintance with parties in that line, from the
 Upper Province and the United State.

PILES, &c.
HEMORRHOIDS—NO CURE NO PAY
Price \$1—Hay's Liniment—No Fiction.

THIS extraordinary chemical composition,
 the result of science and the invention of
 a celebrated medical man, the introduction of
 which to the public was invented with the
 solemnity of a death-bed bequest, has since
 gained a reputation unparalleled, fully sustain-
 ing the correctness of the lamented Dr. Grid-
 ley's last confession, that "he dared not die
 without giving to posterity the benefit of his
 knowledge on this subject;" and he therefore
 bequeathed to his friend and attendant, Solom-
 on Hays, the secret of his discovery.
 It is now used in the principal hospitals and
 the private practice in our country, first and
 most certainly for the cure of the Piles, and
 also so extensively and effectually as to baffie
 credulity, unless where its effects are witness-
 ed externally in the following complaints:—
 For Dropsy—Creating extraordinary absorp-
 tion at once.
 All Swellings—Reducing them in a few
 hours.
 Rheumatism—Acute or Chronic, giving
 quick ease.
 Sore Throat—By cancers, ulcers, or colds.
 Croup and Whooping Cough—Externally,
 and over the chest.
 All Bruises, Sprains and Burns—Curing in
 a few hours.
 Sores and Ulcers—Whether fresh or long
 standing, and fever sores.
 Its operations upon adults and children in
 reducing rheumatic swellings, and loosening
 coughs, and tightness of the chest by relaxa-
 tion of the system, has been surprising beyond
 conception. A common remark of those who
 have used the Piles, is "it acts like a
 charm."
THE PILES.—The price \$1 is refunded
 to any one who will use a bottle of Hay's
 Liniment for the Piles, and return the empty
 bottle without being cured. These are the
 positive orders of the proprietor to the Agents,
 and out of the many thousands sold, not one
 has been unsuccessful.
 We might insert certificates to any length,
 but prefer that those who sell the article
 should exhibit the original to purchasers.
CAUTION.—None can be genuine without
 a splendid engraved wrapper, on which is my
 name, and also that of the Agents.
