FARMERS, READ THIS

We will pay extra for fat pigs bred from Tamworth and Improved Yorkshire boars, as they are worth more money to us. We have imported a large stock of these pigs, and have on hand a choice selection of imported and home-bred boars and sows. Write us for prices, which are as low as they can be made, this being a business entirely of a secondary consideration with us, our first object being to supply the trade with an A 1 article in bacon, and we are satisfied that these are the breeds that pay both the feeder and the packer. Send in your orders quick and get a good in-pig sow, or a boar to use on grade sows.

LITTLE'S PATENT FLUID
(NON-POISONOUS)
SHEEP DIP AND CATTLE WASH.

Testimonials re Little's Sheep and Cattle Wash :
From PROF. SHAW, Ontario Agricultural College, Guelph.
We have used a considerable quantity of "Little's Sheep and Cattle Wash," and find it answers the purpose very well for which it is designed, namely, drives lice, ticks, etc., from all classes of live stock.
From H. CARGILL & SON, Cargill, Ont.
We have used "Little's Sheep and Cattle Wash" for three years, and have found it quite satisfactory in every respect. Keeps the cattle clean and free from lice; in fact, we would not care to do without it.
From JNO. Y. ORMSBY, V.S., "Isaleigh Grange Farm," Danville, Que.
I have now been using "Little's Sheep and Cattle Wash" for some four years, and I can truthfully say that it is by far the best preparation I have ever used for destroying lice on horses, cattle and hogs, or any other animals. Its special advantages in my eyes are that, while it is not only sure but sudden death to all kinds of external parasites, it is also clean and easy to use, and so cheap, when we consider how long a tin will last, that no farmer, not to speak of stock breeder, should ever be without it.
