Calgary and Edmonton Railway, Qu'Appelle, Long Lake and Saskatchewan Railway Company.

STOCK GOSSIP.

In writing to advertisers please mention the Farmer's Advocate.

Mr. O. R. Decker, Chesterfield, Ont., has a change of advertisement in this issue offering choice young Berkshire boars and sows in farrow, mostly from imported boar.

J. D. Stewart, Russeldale, Perth County, Ont., in this issue offers several A. J. C. U. Jerseys for sale. Read his advertisement. Write him for prices if you want anything in this line.

Mr. John Isaac, Markham, who has imported such a number of Shorthorns from the Kinellar herd during the past fifteen years, places an ad. in another column. See what he has for sale and write him for prices.

In this issue R. Reid & Co., of Hintonburg, Ont., offer for sale their entire herd of Ayrshires. The owners write us they are deep milkers, and have won many prizes at Canadian shows. Ayrshires are in demand to-day. Canadian farmers who wish to buy should correspond with Messrs. Reid & Co.

Mr. Sydney Fisher, Knowlton, P. Q., reports sales of his Guernseys: Yearling bull, Vampire, No. 333, Am. G. C. C. Register, to Circle Agricole of St. Raymond, also Vanessa, his largest milker, a fine cow bought some years ago from Hon. John Abbott's herd. This cow is said to bear an exceedingly good record.

In another column will be found the advertisement of Joseph Lawrence, Clearwater, Man. It will be noticed he is offering for sale his stock bull Warrior—1870's. This bull he assures us is a capital stock getter, is kind and gentle, and is a prize-winner. He only parts with him to prevent too close breeding.

Mr. T. Speirs, the well-known Shorthorn and Berkshire herder, of Bradwardine, has bought the farm of Mr. Lemieux, of Oak Lake, which district can now boast of having three herds of Shorthorns almost adjoining each other, namely, R. L. Lang, W. H. Holliswell and Mr. Speirs, and with such a trio the district should make itself felt as the Shorthorn centre of the West.

EXCURSIONS TO CALIFORNIA. On account of the San Francisco Mid-Winter Fair, the Chicago, Milwaukee & St. Paul Railway Company will sell excursion tickets to San Francisco, St. Jose, Colton, Los Angeles and San Diego, Cal., and Portland, Ore., at reduced rates, good until April 1, 1894. For full particulars call on any coupon ticket agent or address A. J. Taylor, Canadian Pass, Agent, 87 York St., Toronto, Ont.

POINT ST. CHARLES, P. Q., Messrs. DICK & CO., Montreal:

Dear Sirs:—Have used several packages of your celebrated Condition Powders with unexpected results, my horses having been working on the canal all winter, and become run down. Until within the last month I have had them in town, and used your Powders, which have brought them to a first-class state of health, and I consider them to be worth their full value now. Yours truly,

JAS. MAYBURY, Master Carter.

The Northern Pacific Railroad has put into effect a series of low round-trip rates to Pacific coast points. These California tickets are good until April 30th, 1894, and are good for stopover under certain conditions.

These rates will enable those desiring to do so to spend the winter in Southern California, or to visit the midwinter fair to be held at San Francisco. This latter event will undoubtedly be second only to the World's Fair just closed, and will repay a visit, as it will exhibit the resources and capabilities of California.

From Winnipeg, Portage la Prairie and Brandon to North Pacific coast points and return, \$70.50; to San Francisco and return, \$100.50; to Los Angeles and return, \$118.50; to San Diego and return, \$123.50.

RICE'S AERMOTOR MILL

Feed grain ground for eight cents per one hundred pounds, or for every tenth bushel. Rice's Process Flour for brown bread, biscuit, cake and pudding (the healthiest on the market) ground for ten cents per bushel. Every municipality, town or village, should have one of the above class of mills. Cost about \$1,500. Pumping Aermotors for pastures, town water-works, market gardens, land aerating, etc., cost from \$100 up. Geared Aermotors erected on farm barns to pump water, saw wood, grind feed, cut hay and straw, elevate grain, turn the fanning mill, grindstone and churn. Also Rice's Frost Proof Force Pump for sale. For further particulars apply to GEORGE RICE, Aermotor Mill, Main St. N., Winnipeg. 60-
