Farm Labor

Nothing is so important at this critical period in the history of the British Empire as food production. Every effort should be made to put in the maximum acreage of crop this, and with this end in wiew, a Labor Distribution Office has been opened at the Township Clerk's Office at Mildmay. All who are willing-merchants, mechanics, retired farmers or professional men-to work a day or two or longer on the farw this spring or summer, are requested to enroll their names at once. Farmers who need help are also asked to send in their requisitions, and the Committee will distribute the labos in the most advantageous manner. Enroll now.
