

CANADIAN BUILDING AND EXHIBIT FINEST AT WORLD'S EXPOSITION

Miss Ethel Adams Records Her Impressions of a Wonderful Tour—Are Now on the Return Journey—Bathing in Great Salt Lake and in the Pacific Ocean.

Hotel Court, San Francisco, Sept. 13.
Editor Ontario.

We have been in Frisco over a week now and will soon be leaving. We have visited many places of interest and been on many sight-seeing tours. Visited both expositions at San Diego and here, and enjoyed many of the amusements on the zone. We have crossed plains, mountains and deserts. Have roamed and frozen (not quite either one) but the extremes have been great. Have bathed in Salt Lake at Saltair, and in the Pacific Ocean at Del Monte. I think it was.

I have often gratefully thought of you as I have enjoyed the various sights and trips. It seems wonderful to think that I should have this privilege. The gorges and canyons of the Arkansas were grand. The trip up the mountain over a mile at Colorado Springs was fine. We experienced a hail storm at Crystal Park while up there, with thunder and lightning. But it lasted only a few minutes and then we saw two pretty rainbows. That is the only rain we have experienced. Have not needed our parasols yet, nor rubbers; unless we deliberately walk in the water. The exhibition buildings themselves are very beautiful, and the

exhibits in each are good, but none can compare favorably with Canada in design nor produce. And the best of it is, everybody has to admit this, and they do. Hutchinson is said to be the designer. If so, he, or who ever is, deserves great praise. Many visit the Canadian building often, as it is so good they like to see it more than once.

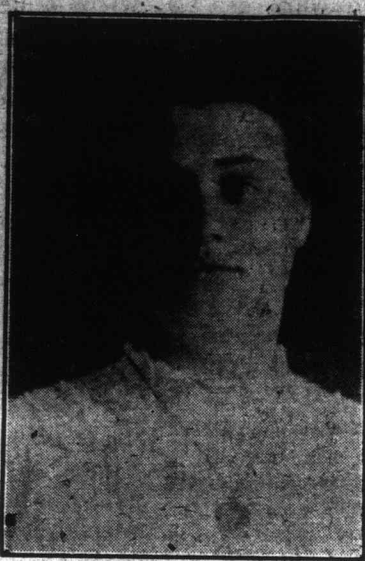

Mr. and Mrs. Lane have been very nice. Mr. Lane is very anxious for us to see all we can of the best things, and he sees that we do.

We have enjoyed this three weeks very much. We still have two more. I have filled one note book with notes and have another one well started. Hope I can decipher them when I get home, for many of them are written while travelling and viewing.

Have seen Petroses the Italian make an ascension in his aeroplane at night. Also Niles in his monoplane by day. Both were fine.

The many bands furnish such fine music. We heard that wonderful open air organ in San Diego, and saw the one in the Mormon tabernacle at Salt Lake City.

Thanking you for your kindness. I am,
Gratefully yours,
Ethel M. Adams.

MISS ETHEL ADAMS.

Trampled by Steers

Mr. Wm. Rogers, Belmont road, was seriously hurt early Wednesday morning by being trampled on by a couple of steers which he was feeding. Dr. Sutton was hastily summoned to attend to Mr. Rogers and found his chest much injured. Examination showed the ribs to be shoved away from the breast.

Mr. Rogers has been particularly unfortunate having suffered a serious attack of typhoid fever in the spring. He had recovered nicely and some time ago was able to resume his work in the butcher shop and as caretaker of the Methodist church. Much sympathy is felt and it is hoped he may be able to be around again before long.—Norwood Register.

RANKS AMONG THE WORLD'S BEST HOTELS.

Lieut.-Col. W. Ronaldson Clark of the India Medical Service, has been a recent visitor to Ottawa, and in a letter just received by the Grand Trunk officials, he says:—

"Please convey to the Manager of your hotel in Ottawa that my experience of hotels in both Europe and on this side of the Atlantic, is probably quite as considerable as that of the gentleman who has lately written to several Canadian papers on the subject of the 'Chateau Laurier,' and that I thoroughly endorse all he said with regard to this hotel. I believe it to be one of the best and best managed I have ever come across in all my wanderings in Europe, Asia, Africa and America."

WEDDING BELLS

RICHMOND—JAMES.

On Wednesday, Sept. 15th, at the Sidney Baptist church, Halloway, Ontario, there was solemnized the marriage of Rev. A. Enford Richmond, (Pastor of the Sidney church) and Miss Lily May James, of Bath, England. The service was conducted by Rev. W. S. Barker. A large company of friends and members of the church were present to witness the ceremony. The church which had been tastefully decorated for the occasion, presented a very pleasing appearance. The bride was attired in a dress of very soft shade of blue silk and carried a white bouquet of choice flowers. She was given away by Mr. W. E. Griffin. On the arrival and return of the bridal party, suitable music was rendered by Miss Jessie Park, including Mendelssohn's Wedding March. On Thursday, Sept. 16th, a public reception was held in the church, at which a large company assembled, and a very enjoyable time was spent. During the evening speeches were given by Rev. W. S. Barker, Rev. A. E. Richmond, Mr. L. Reid, and on behalf of the ladies, Mrs. L. Prest. In all these a most affectionate welcome was extended to Mrs. Richmond, and the confident hope expressed that she may be the means of great blessing as a co-worker with her husband. The bride and bridegroom were the recipients of many useful and valuable presents.

Military Notes

Rosswell Coulter, son of Reeve Coulter, has answered the call of his King and Country. He is the youngest boy from Stirling to enlist and left on Monday for Kingston. At the station Rev. Mr. Terrill in a few well chosen remarks spoke of the boy's ambition to go to the front and Mr. L. Melkjohn, on behalf of the citizens, presented him with a wrist watch.—Stirling Leader.

Mr. Britton B. Cook, who is one of the six Canadian newspaper men who are going to the front this week has many friends. He is a brother-in-law of Mrs. R. J. S. Dewar of Deseronto and formerly of Bloomfield.

Private Herbert McAdoo, at one time on the Pictou Gazette staff (and now attached to the 59th Battalion), was the victim of an unfortunate accident at Barriefield Camp on Friday. He was run down by an automobile, and suffered serious injuries. It is alleged that the driver of the motor car after hitting McAdoo did not stop. McAdoo was found an hour or so later in an almost exhausted condition.

A Send-Off to Dr. Alger

After the factory proposition had been discussed at the Stirling Council meeting on Friday evening last, and the motion in reference to it passed, Mr. Coulter brought up the matter of departure of Dr. Alger to go with the soldiers to the front. He stated what had been granted to Dr. Walt, and thought a similar amount should be granted to Dr. Alger.

Mr. Cook and Mr. Melkjohn spoke in favor of the Council making a similar grant, and a motion to this effect was unanimously passed.

On motion of Mr. Ward, seconded by Mr. Ashley, a committee consisting of Mr. Coulter, Mr. Melkjohn, Dr. Potts, W. S. Martin and Mr. Yeats were appointed to see what could be done in the way of a suitable send-off for Dr. Alger. This motion was unanimously passed.

It was stated that the Dr. was expected back soon to settle up his business before leaving to take up his work as surgeon to the 80th Batt.—News Argus.

A Cordova Fire

Fire at Cordova Mines on Thursday morning of last week, destroyed the store and residence occupied by W. L. Wannamaker and an empty store known as the Thompson store. The flames originated in the vacant building but their origin is said to be a mystery. The building was purchased by Cordova Mines Ltd. last year and added up for a recreation room but has been unused for some time. The fire apparently started upstairs and when discovered was beyond control. It quickly spread to the next block in which were two stores, Dr. Thomson's office and Mr. Wannamaker's residence. The buildings were burned to the ground. Mr. Wannamaker saved most of his household effects, his books, scales and a few other articles from the store but most of the stock was destroyed. Dr. Thomson also lost a small stock of drugs. The buildings were all owned by the Company and are said to have carried some insurance.—Havelock Standard.

Cherry Valley—A Model Community

The opening of a horse barn with a chicken-pie dinner is an event which might attract attention to any community. In connection with the Methodist church at Cherry Valley, (which by the way is a neat and appropriate edifice), is a building to protect the horses—for there are still a few in that community who still drive horses—while the congregation is at worship. Recently this building has been provided with a cement floor, and, to commemorate the occasion, the congregation invited their friends to dine with them on chicken before turning the commodious apartment over to the horse for whose especial comfort it was erected. The building is nicely painted outside, perfectly clean inside, and made a splendid dining hall. A survey of this building suggests many uses to which it might be put without seriously interfering with its initial purpose. It would make an ample drill shed for the training of soldiers, or it might be utilized for a gymnasium of a skating rink. A town hall stands conveniently for entertainments, etc.

The cemetery at this place is another institution which proclaims unanimity of purpose. It is rarely that a cemetery outside of the larger centres presents such a neat and attractive appearance as does the Cherry Valley Cemetery. In order that a few neglected plots might not mar the generally tidy appearance of the grounds, the Cemetery Board undertook to care for the entire premises and collect from the plot owners. The result is the grass is uniformly trimmed, making a decided improvement. The new method has worked well and plot owners must be gratified with the advanced system of caring for their interests.

While the Church premises and cemetery at Cherry Valley demonstrate a devotion to community interests which is commendable, the homes in this vicinity also present that comfortable appearance which denotes a prosperous people.

Holloway's Corn Cure takes the corn out by the roots. Try it and prove it.

Here Monday Night

Mr. F. W. Duggan, the clever Field Secretary of the Dominion Alliance will speak on Monday night at eight p.m. in the Y.M.C.A. under the auspices of the Civic Welfare League. Any man interested in promoting the good of the community will be welcomed.

First Long Step Towards Recovery

Is to Find if Your Symptoms are of Kidney Disease

Kent County Lady Did This—Then She Used Dodd's Kidney Pills and Was Cured.

Upper Boutouche, Kent Co., N.B., September 20.—Special—Miss Genevieve Bastarache, an estimable lady living near here is telling her friends of the benefit she has received from Dodd's Kidney Pills.

I am indeed happy to be able to state that I have been cured of Kidney Disease by Dodd's Kidney Pills," Miss Bastarache says in an interview. "I was often so feeble I could not work. My sleep was broken and unrefreshing. I had headaches and cramps in the muscles."

"I suffered from Rheumatism and Backache and was always tired and nervous."

"I was in this miserable condition when I decided to try Dodd's Kidney Pills and had not taken two boxes till I felt better and three boxes cured me."

Miss Bastarache made a long step towards recovery when she discovered that her symptoms were of Kidney Disease. She then had only to use the old reliable Kidney remedy, Dodd's Kidney Pills, to find a cure. She did it and was cured. Are your symptoms those of Kidney Disease?

Q. M. S. Victorious

Queen Mary School baseball team defeated Queen Victoria school on Friday afternoon by the score of 15 to 4, thus turning the tables, for a week before the Q.V.S. had been victorious.
