The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to curre in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical frederity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its currative powers that they order One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

It is thus seen that Dr An irate suffragette to-day made Williams' Pink Pills cure nervous An irate suffragette to-day made Thomas Mclinton Wood, the Secretary for Scotland look like a miller by throwing a bag of flour at him, while he was addressing a meeting connected with the inauguration of the Edinburgh high school. He was in the middle of his speech when the woman shricking something about torture, leaped upon the platform and dashed a paper full of four into the Scottish secretary's face. The bag burst and the flour spread all over his clothing.

Williams' Pink Pills cure nervous disorders by curing the cause of the trouble. The following is an instance. Miss Annie Jones, London, Ont. says:—"For over a year I was an intense sufferer from neuralgia, which located in my face and head The pain at times was so intense that I could scarcely keep from screaming, and nothing I was doing for the trouble seemed to help me. As time went on my whole nervous system was affected. At last when I felt that my case was almost hopeless I was over his clothing.
