Arnold sec'y treas. Routine business was transact ed. including the re-appointing of Mr. High School Hall on Wednesday even | Henry Hawkins to the position of ianitor

The policy of the Ontario govern ment in respect to education is being eagerly canvassed these days. The opinion seems to be quite general that the model schools are to be wiped out school centres has not been stated. In nost cases, special provision has been made at considerable cost to provide accommodation and equipment for the training of teachers, and the act should in some measure compensate those model school nunccipalities.
