MOST POWERFUL SEARCHLIGHT.

*****腔

The most powerful searchlight ever designed or built was recently finished at the famous Schuckert works at Nuremburg, Germany, where the manufacture of giant searchlights has been made a specialty.

Some idea of the illuminating power of the great instrument may be gained from he fact that if it were possible to set it upon a hill or tower 300 feet high its rays could be detected from a distance of nearly 85 miles. Its candle power, at 316,000,000, is so great as to be almost incomprehensible in figures. When the searchlight for the Heligoland lighthouse was turned out at the Schukert works some time ago it was considered a wonder, but its candle power is only 10,000,000.

Negotiations are in progress for securing this enormous instrument for one of the United States lighthouses.

A CREAMY FOOD

Scott's Emulsion is cod liver oil prepared as a foodnot a food like bread or meat, but more like cream; in fact, it is the cream of cod liver oil. At the same time it is a blood-maker, a nerve tonic and a flesh-builder. But principally it is food for tired and weak digestions, for all who are fat-starved and thin. It is pleasant to take; children like it and ask for more.

LVANGELISTIO SERVICES

The meetings in Victoria avenue Methodist church are increasing in interest. Thursday night a crowded house greeted Mr. McHardy. The service began with song and praise. Many in the audience responded with test monies to the goodness of Gold. Many in the audience responded with test monies to the goodness of Godd. Good singing was a leading feature of the meeting. Mr. McHardy's new book contains many of the finest hymns now in use and the heartiness with which these are sung is a proof of their popularity. A large number from other churches were present and took part in the meeting. On the platform with Mr. McHardy were the Rev. G. H. Cobbledick, Rev. Dr. Hannon, and the pastor of the church.

and hath shut to the door."

The question asked was a needless one and Christ's answer was intended to draw attention to the all important matter. Mr. McHardy dwelt however, at some length on the question of the number of the saved and then made a strong and stirring appeal to men to heed our Saviour's words and get thoroughly in earnest about their own salvation. Startling Case of Thos. Harrison, of St. Mary's Ferry-He Tells The Story H.mself.

St. Mary's Ferry, York County, N. B., Nov. 14.—(Special).—That Dodd's Kidney Pills will cure Diabetes, one of the most deadly forms of Kidney Disease, has been satisfactorily proved by Mr. Thos. Harrison, of this place. Speaking of his cure Mr. Harrison says:

A MARVELLOUS DOG IS THIS

MARVEL.

In a big apartment house in New York lives a collie, who has well carned his name of Marvel. He dwells with his mistress on the seventh floor, and would get very little exercise were he less clever. Marvel's mistress trusts him to go out alone, and this is how he goes about it. Does he tramp down seven flights of stairs? No, indeed. Marvel walks to the elevator, stands upon his hind feet, and with his front paws presses the "button" which summons the elevator to his floor. In saunters Marvel. When he has been out long enough, he again rings for the elevator, and reaching his own apartments rings the door bell.

Marvel's conduct suggests a conundrum. Why is Marvel like the rider to Banbury Cross? Because he has rings on his foce.

"The blood is the life." Science has never gone beyond that simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. No one can be well balanced in mind and body whose blood is impure. No one can have a wholesome and pare life unless the blood is pure. Foul blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. When the blood is pure, body and brain are alike healthy and life becomes a daily happiness.
