THE ACADIAN.
WOLFVILLE, N. S., MAR. 14, 1904.
Headings by Acadian News Gatherers.
An unusually large number of cases of sickness are reported in town and throughout the county.
The game between the Canning and Wolfville hockey teams, which was postponed, is to take place this evening in Aberdeen Rink.
The bankers of Wolfville and Centville went to Windsor and played the bank employees of that town, finishing by a score of 6-5.
Modern six-room dwelling and three adjoining orchard building lots in Summer Street, for sale. For terms apply to H. HAYCOCK.
A thaw, which began on Wednesday, has reduced the snow by considerable. There is a vast amount, however, and it is likely the sleighing will withstand it for a day or two yet.
Art Association will meet tomorrow afternoon at half past three in the Seminary. Subject of Lecture, Germany, Berlin, Dresden, Nuremberg, Munich. Outline of the development of sculpture.
An error occurred last week in the list of the People's Shoe Store. The correct price of the woman's fine dog-skin slating boot, which is now offered for \$2.00, was \$2.50. Call and see them.

A leap year drive to Kentville was enjoyed by a company of Wolfville ladies and gentlemen on Tuesday evening. The company, which numbered fourteen, put up at the American House, where an excellent supper was furnished. The evening was pleasantly spent and the party arrived home in the wee sma' hours.
A lady remarked to me the other day: "What a blessing to be able to select such beautiful room paper at home, instead of standing around a store and then not getting what you want." Send a word to B. G. Bishop and he will show you samples of the finest and cheapest Wall Papers in America. "Till be a revelation to you."
Feb. 10, 3 mos.
Will offer for sale during this month the property on the corner of Gasperau avenue and Winter street, which consists of a two storied house of 8 rooms with modern conveniences, with about an acre of land which produced last year 20 bbls. apples, 60 bus. plums, besides peaches, cherries, grapes, berries, etc. There is also a good barn 20 x 30.
C. A. PATRIQUIN.
Preparations are being made for a large attendance at the Mass Temperance Meeting, to be held in Margeson's Hall, Kentville, this evening. It is likely that there will be a goodly number attend from Wolfville. There will be special trains on the C. V. R., and Canning will turn out in force. A number of speakers will give short addresses, and it is hoped a pleasant and profitable evening may be spent.
Mrs. W. T. Ford, of this town, met with a painful accident on Friday afternoon of last week. She, with Miss Ford, was calling at the residence of Mr. W. C. Archibald, and as the result of a fall on the steps at the entrance, fractured her left arm near the wrist. She was driven to her boarding-place, where Dr. DeWitt set the broken bone, and she is now doing as well as possible. Her many friends will wish her a speedy recovery.
The students of Acadia Villa School, Hortonville, had their annual sleigh drive to Kentville on Monday. Several of Mr. W. J. Balcom's teams were engaged for the purpose, the whole number participating being 56. Mr. A. H. Patterson had the party in charge. The day was a pleasant one and a very enjoyable time was had. The turnout made a very fine appearance, including two very handsome teams of four-in-hand and other double teams.
The annual meeting of the Kings Co. Board of Trade will be held in the Court House, Kentville, on Saturday, March 26th. Committees will report and officers will be elected. The following subjects will be discussed: Shall the apple barrel in its present size be maintained or increased to the size of the Ontario barrel? Has the result of the C. F. B. competition this season been sufficient to warrant a continuance of the subsidy to that line another season?
At the Manual Training School the visitor finds things interesting and instructive. Under the management of Mr. Sutherland, the efficient and genial director, the students are given a thorough and systematic training in mechanical drawing, woodwork, general carpentering, mechanical construction, etc. On the various lathes and other mechanical appliances, the boys turn out fancy yet useful articles, and get a practical training for the eye and hand, which in perhaps as much real value as training in any of the other branches, regardless of the specialty which one may choose for his life work.

Horticultural Club.
At the regular meeting of the Horticultural Club, Tuesday evening, a programme of great interest was given by leading members. Prcl. Sears, the president, was in the chair and several newcomers were welcomed. Mr. Archibald who has always been foremost among those who have done much for the good of the club, entertained the members not only by his instructive and witty remarks but also by means of some luscious fruit which he brought with him. Yet there is room for more members and we would urge those who have intended to come to delay no longer.
Edward Baxter Perry, the great pianist who will give two recitals at Acadia Seminary, is the only pianist born on this continent who ever played at the Imperial Court in Germany. He is the only pianist, living or dead, of any country, who ever played fifteen hundred (1,500) concerts in twelve consecutive years.
He is the only pianist who ever succeeded in sustaining himself for twelve consecutive seasons by concert playing alone.
Mr. Perry is the original and chief representative of the Pianoforte-Lecture-Recital. His plan is to preface each composition with a brief talk, calling attention to the circumstances of its origin and its emotional and descriptive characteristics, thus rendering it doubly interesting because fully intelligible to all.
April 29 and 30. Popular prices will prevail.
The fisheries of Nova Scotia this winter is summed up as the smallest, all around, for several winters past. The shortage applies to lobsters and fresh fish in general.

Entertainment in Temperance Hall.
On Monday evening Temperance Hall was the scene of a very interesting social gathering and entertainment on the occasion of a fraternal visit from Canning Division to Wolfville. A large number of the leading temperance workers of Canning participated in the event, the musical and literary programme being carried out with great enthusiasm. The Hall was specially decorated for the evening, and when opened presented a very attractive appearance. Among the speakers were Rev. Mr. Johnson, Capt. Tingley, Messrs Hennigar, Eaton, DeWolf, Vaughn and others. Mr. Johnson gave a clear and able presentation of the privileges and rights of the temperance people, calling upon all to make party adherence secondary to the support of the great principles of prohibition and Christianity. Several solos were rendered by local singers, the Division chorus gave a selection and a flashy dialogue was enjoyed. Mr. B. C. Johnson, W. P., presided and Messrs T. R. and L. Wallace gave recitations and readings. Refreshments were served in good style by the ladies and the proceedings were brought to a close by "God Save the King."
The many friends of Miss Alice Dixon, daughter of Rev. R. P. and Mrs. Dixon, will learn with deep sorrow of her death, which occurred yesterday afternoon. She had been ill a little over a week of pneumonia and although for several days on Wednesday that she might recover. She was a very bright and attractive young lady and a general favorite with all who knew her. The ACADIAN tenders sympathy to the bereaved family.
