To Visit the World's Fair Economi-

Fair at any of the hotels and boarding houses at what a reasonable man would call reasonable prices. Moreover, people who are on the north and west sides, will be about as well off for transportation as those who live on the south side. The cattle car, the elevated road cars and the Illinois of the south side. The cattle car, the hotels will be made than when in the school room. In order that the development continue through life, a ground work must be laid along that special line, in which the man's life will be elevated road cars and the Illinois spent. While his mind can be improved they get as far south as Six- etc. you expect the greatest advance in the total car will all be crowded full before they get as far south as Six- etc. you expect the greatest advance in

ONE ENJOYS

The Education of the Farmer. Paper Written for the Farmers'
Association, Held in Fredericton, by Geo J. Trueman.

looking out on the avenue. The landing said that its price for one person was \$6 a week and for two \$9. She confessed frankly that she rented it last year at \$5 and \$8 and had added \$1 for the Worlds Fair. A room was found of the same class on Superior street on the north side, in a good residence locality, for \$6 for one good residence locality for \$6 for one good for \$6 for one good for \$6 for \$6 for one good fo perior street on the north side, in a good residence locality, for \$6 for one person and \$10 for two persons. On the west side, it is a matter of ease to find, in good residential localities, single rooms for \$7.

So much for the question of rooms. So far as food is concerned, if resorces are very limited one should eat at re staurants. One certainly should by have a good knowledge of 'the locality and scientific subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality and scientific subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality and scientific subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality and scientific subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality and scientific subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality at the science of the sudjects and subject in subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality at the science of the sudjects. It is properly considered necessary that a boy have a good knowledge of 'the locality and scientific subjects. It is properly considered necessary that a boy have a good knowledge of 'the locality at the science of the was just beginning to come out of the study the accident happened a few minutes later as the staging fell. Had the accident happened a few minutes later a frightful fatality must have ensued. As much might be said about the study of plants; surely no study can be more practical to the plant grower than that of botany. Few farmers know the names or habits of even the common was a subject. The suddence fits may not follow unless the pupin was just beginning to come out of the theatre as the staging fell. Had the accident happened a few minutes later a frightful fatality must have ensued. The suddence fits may not follow unless the pupin and the later as the staging fold. The suddence fits So far as food is concerned, if resorces are very limited one should eat at restaurants. One certainly should keep away entirely from the hotels. If one wishes to be fairly comfortable, he should avoid, also, the restaurants, and should get board where the room is secured. Board and room can be obtained in hosts of pleasant places on the north and west sides, for one person for \$10 a week, and for two persons for \$10 a week. The objection, of course, will be at once raised that place of this character are tanged that place of this character are a good way from the World's Fair.
