CARD.
To the Electors of the County of Northumberland.
GENTLEMEN:—

Writings having been issued for a General Election, I am now a Candidate for your suffrages to represent your interests during the next four years in the Local Assembly of the Province.

From a long residence amongst you, and a close intimacy with the requirements of the County, if elected I shall devote my best abilities towards furthering your interests.

I shall advocate a better system of collecting, and a reduction of the Stumpage, the building of the Miramichi Valley Railway, and the formation of a pure, prudent and economical Government to administer the affairs of this Province.

Soliciting your support,
I have the honor to be, gentlemen,
Your Obedient servant,
THOS. F. GILLESPIE.
Chatham, May 21, 1878.

CARD.
TO THE ELECTORS OF THE COUNTY OF NORTHUMBERLAND:
GENTLEMEN:—You are to be called upon within a few weeks to elect four representatives in the New Brunswick Assembly, and in response to the expressed wishes of a large number of your body I have determined to again offer for the seat which I now hold.

It is commendable that leading and experienced citizens should aspire to Legislative positions, but I think you will agree with me that it is not alone in the larger towns or the ranks of but one profession that we should expect to find those qualifications which fit men to represent the varied interests of so important a County as Northumberland.

Having been one of your representatives during the past four years, my record is before you, and while making no invidious comparisons, I feel that I can claim to have acted consistently and in such a manner as to have conserved the interests of the Province, I have also assisted in securing for my County her full share of consideration in the distribution of public patronage.

It has so happened that I have in the main supported the Government in Canada, and so because I considered that course the best in the interest of the Province as well as of Northumberland, and also because I had no desire to aid in effecting changes of administration simply for the sake of change—and without the prospect of thereby securing any local or general advantages.

Before the election comes off I hope to visit very many of you, and while I am desirous of seeing and consulting with you, I would be equally anxious to push the cause which may be opposed to me, and answer personally any who may call in question my Political Conduct.

WILLIAM SWIM.

GENTLEMEN:—

At the request of a very large majority of the Electors residing on the South West River, I have consented to offer as a Candidate at the coming Election for the Local Assembly of this Province.

NEWCASTLE, MIRAMICHI, MAY 29.
A Very Important Book.

Mr. George Stewart, Jr., is now engaged in writing a very important and valuable historical work—a book of incalculable interest to every Canadian, and which is destined to occupy a prominent place in our political and social history for all time to come.

Mr. Stewart has been indefatigably engaged in gathering materials for his great work, and his collection of state papers and manuscripts is both large and valuable.

He has begun to write, beyond all doubt, the most important historical book ever issued from the Canadian Press. It is entitled "Canada, under the Administration of Lord Dufferin,"—a magnificent title for a volume which will be a landmark in our history.

Not only will all the beautiful and terse sentences of our esteemed Governor-General be included in the work, but a thorough and complete discussion of the day will be given. All the great and important political questions of the day will be discussed in a fair and impartial spirit, and the book will be an important influence in the world as well as in our own country.

Mr. Stewart is in every way admirably adapted for his work. He possesses a well-balanced mind, a mature judgment, a strong character for impartiality and the judicial power. In his hands the history will fare well. He is the man to deal with the Pacific Railway matter, the British Columbia troubles, the Northwest rebellion and the other noteworthy events in our political history.

We feel proud that a Canadian has been selected to write this history, and we feel sure that the people of this country will be glad to have a book which will be a landmark in our history.

The requirements of the hour demand a book which will be a landmark in our history. It will add zest to the book, and many will be glad to see the name of Mr. Stewart in the title of the book.

The book will be a landmark in our history. It will be a book which will be a landmark in our history. It will be a book which will be a landmark in our history.
