House went into committee on a bill to amend chap. 99 of municipalities, Mr. Leighton in the chair. The bill provides for a declaration of qualification having to be made by an elector of the Parish, and provides the form to be used. There was a general discussion over it, Mr. Lynott, who is one of the most practical members of the House, opening the ball with an argument in favor of a reduction in the amount of qualification for County Councillors. He moved in amendment to the first section of the bill that \$300 be the amount of property qualification necessary for a county councillor, instead of \$600.
