undertake their removal in as short a time as is
consistent with safety.

THE HYDROMAGEN, OR WATERPROOF ANTI-CONSUMPTIVE CORK SOLES.

Manufactured by **HARCOURT BRADLEY & Co.**,
25, Ann Street, N. Y., and at London and
Manchester, England.

THE HYDROMAGEN is a valuable discovery
for protecting the feet from damp or cold, and
therefore a preventive of many Lung diseases, with-
out any doctoring whatever. The Hydromagen is
in the form of a sole, and worn inside the boot or
shoe. Its medicated character is a powerful antidote
to disease.

For Gentlemen it will be found agreeable, warm
and healthy, to wear in the coldest or rainiest wea-
ther, as the foot cannot become wet, if the Hydroma-
gen is inserted.

Ladies may wear the lightest soled boots or shoes
in the most inclement weather with impunity; while
consumption, so prevalent among the young of our
country, may be thwarted by general adoption. They
entirely supersede over-shoes, as the latter cause the
feet to perspire in a very unhealthy manner; and, be-
sides, are not dangerous wear to pedestrians in icy
weather, like India rubbers. While the latter cause
the feet to appear extremely large, the Hydromagen,
being merely a thin slice of cork prepared, peculiarly
placed inside, does not increase the size of the boot,
or cause the feet to appear untidy.

To Children they are extremely valuable, as they
may engage in exercise, with comfort and healthy ef-
fects. Their expense is so slight as to scarce need
mention; besides those who patronise them will find
their yearly doctor's bill much diminished thereby.

As the Hydromagen is becoming more known, its
sale is increasing to an almost incredible extent. Last
year in London, Manchester, Birmingham, Liverpool,
Glasgow, Leeds, Dublin, Paris, Antwerp, Hamburg,
and Berlin, our sales reached the almost incredible
number of 1,732,450 pairs of cork soles. This year
the number will far surpass that.

Ask the Faculty their opinion of their value as a
preventive for **COUGHS, COLDS, BRONCHI-
TIS, ASTHMA, and CONSUMPTION.**

NOTICE.—From the Retail Prices we make a very

The Infallible Remedy!

HOLLOWAY'S PILLS.

**ERYSIPELAS OF EIGHT YEARS' DURATION
CURED.**

Copy of a Letter from **Geo. Sinclair, Esq.**, of
Paris, Canada, dated the 18th July, 1854.

To Professor Holloway.

Sir,—I feel a pleasure and a pride in bearing
witness to the wonderful benefit I have derived by
the use of your inestimable Ointment and Pills. For
eight years I suffered unceasingly from attacks of
erysipelas; large purple blotches came all over my
body; in addition to the unpleasant feeling of itching
and burning, which affected me both night and day,
rendering life a misery to me, as well as to all
around,—so severe was the attack. I used several
repaid remedies without deriving the least cessation
to my misery. At last, I determined to try your
Ointment and Pills; after taking them for a few
weeks, a visible improvement took place, and I feel
considerably better;—in three months, by continuing
with your medicines, I was completely cured, and
now enjoy the best of health. The truth of this
statement is well known here, hence there is no
necessity for me to request secrecy.

I am, Sir, yours respectfully,
(Signed) **GEORGE SINCLAIR.**

ULCERS IN THE LEG,—REMARKABLE CURE.

Copy of a Letter from **Mr. Edward Tomkinson**,
of Cape Breton, Nova Scotia, dated the 4th
May, 1854.

To Professor Holloway.

Sir,—My sister, Miss Jane Tomkinson, suffered
for a great number of years from a bad leg; in which
there were several deeply seated and old wounds,
defying the skill of some of the most eminent of the
medical faculty, a variety of remedies were also
used unsuccessfully; and it seemed to me that there
was not any thing capable of mitigating the agonies
she endured. At length, she had recourse to your
Ointment and Pills, and after using them for about
five weeks, she was completely cured, after all other
means had failed to afford her the slightest relief. I
have no objection to these facts being published, if
you feel disposed to make them known.

I remain, Sir, your most obedient servant.
(Signed) **EDWARD TOMKINSON.**

A BAD BREAST CURED WHEN AT DEATH'S DOOR!

Copy of a Letter from **Mr. Henry Malden**, of
Three Rivers, Canada West, dated July 9th, 1854
To Professor Holloway.

Sir,—My wife suffered most severely after the
birth of our last child with a bad breast. There
were several holes in it one as large as a hand; all
the devices and stratagems I tried would not heal
them, but it assumed an aspect more frightful than
before, and horrible to behold. As a last resource I
tried your Ointment and Pills, which she persevered
with for seven weeks, at the expiration of that time
her breast was almost well; by continuing with your
remedies for two more weeks, she was entirely
cured, and we offer you our united thanks for the
cure effected. I am, Sir, yours truly,
(Signed) **HENRY MALDEN.**
