### HARVEY PHINNEY

Sackville, N. B., Sept. 6.—Word has reached Sackville of the death in Summerland B. C. Sunday, of Harvey Phinney, formerly of Sackville. Deceased had been ill for several months with heart trouble and his death was not unexpected. He was born in Annapolis Valley in 1834 and went at the age of nine years to Richibucto, N. B., where he learned the trade of a tinsmith. He subsequently removed to Newcastle, where he ran a business for himself, remaining there until 1873, when he came to Sackville. For several years he was employed by the late Chas. Fawcett, and afterwards opened a tinsmith of his own. Later he worked at his trade in the old Colonial foundry, which was at length purchased by Emerson & Fisher, St. John, and rechristened the Enterprize. Mr. Phinney remained at the Enterprize plant until August, 1897, when he removed to Summerland, B. C. He was married three times, his last wife, who was formerly Miss Annie Crocker of Millerton, survives. He leaves three sons—J. Edwin, of Summerland; Frank, of Sackville; Charles of Vancouver; and two daughters—May, of Summerland, and Mrs. Scott of New York. Mr. Phinney was a prominent member of the Baptist church, serving for many years as deacon. For several years he was a member of Sackville's town council, and was very highly respected.

NO BETTER TONIC could be devised than FERROVIN, which consists of fresh lean beef, extract of iron and a small amount of quinine. Try this invigorating tonic if you are thin-blooded, weak and generally run-down. \$1.00 per bottle.

Sold by A. E. SHAW'S Pharmacy.—169

### DIED AT HARCOURT

The death took place at Harcourt on August 25th of Euphemia Jane, daughter of Mr. and Mrs. Robt. Wellwood of that place and beloved wife of Mr. Thos. J. McLean, Millerton, after a lingering illness of over a year's duration, leaving, besides her parents, a sorrowing husband, three sons and three daughters to mourn the loss of a kind wife and loving mother. The funeral which was held at Harcourt, Friday afternoon, Aug. 26th to the Episcopal church, was very largely attended. Rev. F. H. Thomas conducted the services at the house and grave. The many beautiful floral contributions showed the high respect in which the deceased was held in the community. The ADVOCATE extends its sympathy.

### MISS JESSIE MACLAUGHLAN

Miss Jessie MacLaughlan and her concert company will appear in the Opera House here on Tuesday, Sept. 20. The Evening Sun of Grand Forks, B. C. says:—"That talented threesome, called the Jessie MacLaughlan Concert party, spirited their audience bodily to the land of the thistle, and right happily did they entertain them there. Miss MacLaughlan had every one in love with her before the end of her first selection. Her magnificent voice gave unaccustomed spirit to "Blue Bonnets over the Border." Other fascinations were felt in "Comin' thro' the rye," "Loch Lomond," and two Gaelic songs. One expected sparkling, not to say intoxicating, things of the gentleman called Sherry, and he proved to be one of the most delicious events of a delicious May month. Of varied talents is Mr. Sherry, for added to his gift of story-telling, he proved that he can foot it flatly and can sing such sprightly things as "A Hundred Pipers," with the lustiest. A dainty manner of his own against an artistic background, and there is no resisting his humor. Mr. Buchanan rendered exceptionally fine accompaniments for the songs.

You needn't lose your hair. BEARINE will keep it strong and healthy. The Canadian Bear grease in the pomade is the effective thing. 50c. a jar.

The body of Brander will be sent to St. Paul, Minn., for interment, and that of Letoile to Ottawa. The above and J. D. Clendenning were in the launch when it capsized, the water being very rough. Mr. Brander, who was 27 years of age, had been living at his grandfather's, Robert Brander, Sr., on Sackville street. His father is dead, having died at Chicago, where his mother, brother and sister reside. The deceased's wife belonged to St. Paul, Minn.—Halifax Recorder.

### STRANGE PREACHERS

Messrs. Armstrong of Ireland and Busby of England, claiming to be independent evangelists and vigorously attacking all other forms of christianity, have for some weeks been operating in Protectionville. It is claimed that at least one of these men was recently one of the Go-Preachers in P. E. Island, and that one of them professes acquaintance with W. D. Wilson of Norfolk, England, who has lost two daughters through missionaries of this sect and is bitterly opposing the whole party. Mr. Wilson claims that he cannot find where his daughters have gone, and he brands the Go-Preachers as agents of the white slave traffic. On the other hand the missionaries in Protectionville, say that such stories are all made up to injure them. While everyone is innocent in law until proved guilty, it is better for a people, especially women, to be very careful in dealing with strangers. Many confiding women have been kidnapped and taken to ruin and despair by trusting to strangers.
