

**"There's a GOOD Job!  
I Used Amalite ROOFING"**

"NOW I have the best roof in this township. One that will last—one that's water-proof—one that will resist the hardest storms—and I didn't have a bit of trouble laying it."

That's about what every Amalite owner says. Its superiority over all other ready roofing is apparent to anyone who uses it. Amalite does away with all roofing troubles and unnecessary expense because it is made with a red insulating surface that needs no painting. It is durable, fire retardant, practical, economical.

Don't buy any other roofing till you look up Amalite. Write to nearest office for samples.

**Everjet Elastic Paint**  
Save money by using this black paint wherever the color is an objection. Elastic, heat proof, durable. Use it for "rubber" roofings and all exposed iron and wood.

### LEGENDS OF MAVOOSHEN.

Adown the sunny inlet,  
Across the Bay we float,  
Where many an idle fisher  
Sits singing in his boat:  
Or, anchored in some quiet cove,  
We speed the hours along  
With legends of the Tarantines,  
With story and with song.  
Where once Modockawando  
By council fires ablaze,  
With French Castine and D'Iberville,  
Charmed warfare's treacherous  
ways  
We look to see the wigwag smoke  
Rise from the misty vale,  
Or dusky maidens' stony eyes  
Flash through the moonlight pale.  
Here, hapt in languous leasure,  
How blissful to recline,  
To drink from fragrant chalices  
Rare draughts of life's sweet wine:  
To watch, across the golden glow  
Of sunset waves afar,  
Some home-bound ship come sailing in  
To greet the evening star.  
And in the long rare twilight,  
When day, with blushes sweet,  
Still loth to hide behind the hills,  
Departs with lingering feet,  
How sweet the sleepy chirp of birds  
From nests in tree and bower,  
While sentinel stars with silent tread  
March on from in our hour.  
Then down the opening pathway  
Of Summers yet to come,  
When fainting toilers leave behind  
The city's maddening hum,  
May weary feet find out the way  
By footway's pilgrim pressed,  
Where shores like these spread wide  
their arms  
Of welcome and of rest.

## ZAM-BUK IN THE HOME

Read How Useful It Proved in These  
Widely Different Cases.

Zam-Buk's strongest point is its effectiveness in all kinds of skin diseases and injuries. Just note how excellent these persons proved it in widely different directions.

**SORE HEEL**—Mrs. C. A. Campbell of Powassan, Ont., writes: "One of my heels was very badly blistered by a pair of new shoes, and the poisonous dye from my stocking got into it, and made a bad sore. For a week I could not put on a shoe, and suffered great pain. I applied Zam-Buk, and in a few days it drew the poison out and healed the wound."

**BAD CUT**—Mrs. J. Virgint, of Onondaga, Ont., writes: "Zam-Buk healed a bad cut which I sustained. I was hurrying across my yard one day when I slipped and fell heavily, my knee striking a sharp stone. At the moment I did not realize how badly I was hurt, but I found I had a bad cut about two inches long, very jagged and very deep. We bathed the cut and applied Zam-Buk. This stopped the smarting very quickly, and in a few days it had healed the wound completely. For cuts and bruises Zam-Buk is a splendid remedy."

**ECZEMA CURED**—Mrs. Antoine Arsenault of Maxianville, P. E. I., writes: "I can highly recommend Zam-Buk to any person suffering from eczema. I had this disease and was under doctors' treatment for two years, without any good result. I then tried Zam-Buk and in the end it cured me."

Zam-Buk is just as good for piles, blood-poison, festering sores, pimples, eruptions, cuts, burns, bruises, and all skin injuries and diseases. 50c. box all druggists and stores, or post free for price from Zam-Buk Co., Toronto. Try Zam-Buk Soap, 25c. tablet.
