AGRICULTURAL REPORT FOR MAY

The high and cold report of May was far from favorable for the spring sowing and planting, and up to the 26th there were few farmers who had sown...

We cut the following from a remarkably well written letter published in the Nova Scotia an abridged "Nova Scotia." We most heartily concur with him in the sentiments expressed in the subjoined passage with regard to the establishment of an exclusive British Dominion.

Permit me to say, that what appears to be rather a favorite project with some parties in Canada, is in Nova Scotia regarded as impracticable and absurd. We bear a great deal about anglicizing the French Canadians; and a Union of the Provinces is sometimes advocated, with a view to swamping and controlling that portion of the population, which being of French origin, still preserve their ancient laws, manners, and language.

We have no desire to form part of a Nation, with a Holot and inferior race within its bosom. If the French Canadians, then, are to be disfranchised; to be trampled upon to be denied one right of British subjects, in what form pressed, or by whom entertained, we will be no parties. A Confederation, or a Union, on such a basis, would bring with it curses numberless, without a single blessing.

How many different races were included within the French Monarchy? How many are ruled over at this moment by Louis Napoleon? Have they, at any period, all dressed alike?—or speak the same language? How great a diversity of speech, of religion, of customs, of mental and physical organization and development, is presented to the eye in the widely extended dominions of the Czar?
