## Avondale Fire.

Our parish church, which represented many years of sacrifice and labour, was destroyed by fire in the lightning storm of June 17th. This loss comes upon us while we are still endeavouring to pay off the debt on the parochial residence recently built.  
Our parish is small both in population and resources, and under the circumstances we are compelled to ask the outside public for assistance. Any contributions, no matter how small, will be gratefully accepted by the following members of the committee:—Dr. W. E. Jones, George Kennedy, John Moore, Patrick O'Brien, William Aspell, Patrick Flynn, Joseph Moore, John Devereaux, Lawrence Hennessy, or

Green Fly and other garden pests look harmless to the naked eye, but when placed under the microscope one is better able to appreciate its powers of destructiveness. With its deadly sucking tentacles, it quickly absorbs from the stem the sap, which is the blood of the plant. The day following the use of CIRENGOL the green fly will be found of a brown color and powerless to do further harm.
