Job Bros. Sue

McMartin and Reid for \$126,000.
This morning Mr. Furlong, K.C., of the firm of Furlong and Conroy, on behalf of Messrs. Job Bros., Ltd., issued a writ of summons against John McMartin and Reid, two of the defendants in the suit on a note which terminated yesterday in favour of these defendants. The new suit is a claim for \$126,000 as balance of purchase money, interest and other charges under an agreement made on Feb. 2nd, 1911 between Job Bros. and John McMartin and Reid and witnessed by the late Sir J. S. Winter. The writ is to be served on Jno. McMartin before he leaves for home on the S. S. Florizel, on the passenger list of which his name was published yesterday. It is not likely that the suit will be ready for trial before October next.

At Rossley's.

There was a very good house at Rossley's again last night to hear Dan Cusack the Irish Lyric Tenor which brought down the house. His greatest and best song in his specialty was "Ireland Has Fought Every Nation's Battle but Her Own," and he certainly rendered this song in splendid style. He also offers a beautiful new dance and one that has never been seen here before, for which he got encore after encore. A great feature picture to-night "The Ambassador's Disappearance" with Maurice Costello, Earl Williams, another great Vitagraph feature, "The Locket" with John Bunny, Florence Finch and Leah Baird. Another great picture "The Influence on Broncho Billy," with J. M. Anderson, and two comedies. Coming by the s.s. Digby another great shipment of funniest films.

Women's Ailments Caused by Neglect.

Proper Treatment Will Quickly Bring Back Robust Health and Good Spirits.

Women are on the whole more sickly than men. One reason is that their system is more complicated; another and more important reason is they put off measures of relief too long. At the beginning, constipation is the cause of nine-tenths of women's ailments. The blood becomes weakened and polluted—the nerves suffer and a run-down condition takes root. Because of their mildness of action as a system regulator, no medicine for women can compare with Dr. Hamilton's Pills. The kidneys quickly respond to the remedial action of Dr. Hamilton's Pills and the result is as you would expect—pain in the back and side, shortness of breath and bad color disappear—the functions of the body then operate naturally, congestion and pain are prevented and perfect health returns.

Thousands of happy women say Dr. Hamilton's Pills are the greatest and best blood-purifier, the finest complexion renewer, the most certain regulating medicine known. Sold by all druggists and storekeepers, 25c. per box, five for \$1.00 postpaid. The Carrhazone Co., Buffalo, N.Y., and Kingston, Canada.

Pleasing Presentation.

Mr. Fred Seymour, of Knowing's West End Branch, who leaves a few days hence for California, was presented with a smokers' outfit by his fellow employees last evening. Mr. John Williams, who made the presentation, voiced the sentiments of the whole staff when expressing the general regret caused amongst them by Mr. Seymour's departure. The recipient, though taken by surprise, replied in his usual pleasing style, thanking the donors sincerely, and assuring them in anticipation of the pleasant memories that the pipe would recall when in far off California.

Karluk's Crew Safe.

London, June 1.—Polar enthusiasts to-day were greatly cheered by Capt. Robert Bartlett's report to the British Government that none of the men were killed when Stefansson's Arctic ship Karluk was lost in the ice. Bartlett said that all of his companions were safe on Wrangell Island, Alaska. They have plenty of provisions and fire wood and are in a territory where game abounds. Bartlett's statement was sent here from St. Michael's Island, in Alaska. It told a remarkable tale of suffering and hardship and of almost miraculous escapes.

Assault Case.

"HAD IT IN FOR HIM 30 YEARS." An assault case, which excited a great deal of interest, was heard in the Magistrate's Court yesterday. The parties interested were two farmers, whose ages are well up in the fifties, belonging to Torbay. The actual cause of the trouble was because the cow owned by the complainant, trespassed on the land of the defendant. When both met a pugilistic encounter occurred and the owner of the

cow only came off second best and with a "lovely black eye," hence the fact that he took legal action. The defendant, on being asked yesterday by the Judge as to why he should premeditate a quarrel with his opponent, replied emphatically that "he had it in for him this 30 years for beating his father." His Honor remarked that as the expenses in connection with the case were \$5, he would impose a fine of \$10 or 20 days, or \$15 all told, and this would figure itself out at a half dollar a year for the past thirty.

ST. BON'S ALUMNI.—The adjourned meeting of the St. Bon's Alumni takes place at the College to-night after prayers. The principal object of the meeting will be to arrange for the celebration of the annual reunion, which takes place next month.

FOR BENEFIT OF HIGHLANDERS.—The Ladies' Association of the Newfoundland Highlanders are now actively engaged making earnest preparations for a dance which will be held in the British Hall on next Tuesday night, in aid of the Brigade.
