

Ontario Legislature.
Nov. 24.
Among the bills introduced was one by Mr. Clarke (Wellington) for separating the town of Orangeville and certain townships in the counties of Wellington, Grey, and Simcoe from the said county of Dufferin.

Mr. Crooks fully explained the arrangements lately made with the Dominion and other Provincial Governments with regard to immigration agencies.

The House then in Committee of Supply passed a number of items, the whole being occupied in this work.

Capt. Foster, of Fort Burwell, Ont., says:—I have been troubled with a cough, at times very severe, for years past. I have found Allen's Lung Balm to relieve my cough more readily than any other cough medicine I have ever tried. My wife also used it with the most satisfactory results.

The assessor's books give Winnipeg valuation of \$1,175,768.

MILLS & GOODFELLOW.
Guelph, Oct. 21, 1874

In consequence of the late great fire in Montreal, Messrs. McIntyre, French & Co. have sold the balance of their stock saved from the fire, \$250,000 at auction, of which G. B. FRASER bought largely, at such low prices as will enable him to sell

Dry Goods this Winter much cheaper than any other Store in Guelph!
FRASER'S store is cleaned from cellar to attic with cheap goods. The truth of customers to FRASER'S for the cheap and good goods is enormous, which causes other merchants to grumble and groan. Still FRASER is determined to look after the wants of his customers, no matter what others may think.

G. B. FRASER
Being the only merchant in Guelph who attended the Great Auction Sale in Montreal, can state with confidence that he can show goods at prices much below their regular value.

Parties buying at FRASER'S will save more money than they would elsewhere. FRASER keeps a general store where all can get suited without having the trouble of going all over town.
