

I Had Coitre
Oswellings in the neck
"I was 10 years old;
I am now 52. I had
Hood's Sarsaparilla 70-
cently and the swelling
has entirely disappeared.
It has been very trouble-
some. When I began I
was feeling so discom-
forted with the goitre and
rheumatism I felt that
I would as soon be dead
as alive. Whenever I caught cold I could not
walk two blocks without fainting. Now I am
free from it all and I can truly recommend
Hood's Sarsaparilla. I received a letter from
Mrs. Jennie Bigelow, now of Fremont, Mich.,
asking if my testimonial in behalf of Hood's
Sarsaparilla was true; I replied it was, and sent
particulars. I have another letter from her
thanking me very much for recommending
Hood's Sarsaparilla

and stating that she also has been cured."

THE KENNEL.

T. G. DAVEY A HEAVY WINNER.
NEW YORK, Feb. 22.—The eighteenth
annual bench show of the Westminster
Kennel Club, which began on Tuesday
morning in Madison Square Garden, bids
fair to rival its predecessors.
Those who ought to know say that this
year's show, while not so good in St. Bar-
nards as for some seasons past, is stronger
than ever in the collie and pointer classes.
T. G. Davey, of London, had a fine col-
lection of English setters and pointers, for
which he was awarded the following prizes:
First prize, open class, English setter bitch
with Emerald.

In pointers—Challenge class bitches, 50
pounds and over, second prize with Josie
Direct.

Challenge class bitches, under 50 pounds,
first and second prizes with Lady Gay
Spanker and Miss Rumor.

Open class, dogs under 55 pounds, first
prize with Ridgeview Comet.

The special club prize for the best four
pointers was also won by T. G. Davey.

The following officers were elected for the
ensuing year: President, John S.
Wise, of Virginia; vice-president, T. G.
Davey, London, Ont.; secretary, F. S.
Webster, New York; treasurer, C. P.
Lewis, New York.

THE TRIGGER.

TIRE SHOOTING.
The fifth annual competition at the drill
shed last night resulted in some very fine
work with the Morris tubes. Sgt. Major
McGrimmon and Pte. W. Robson tied for
first place with 46 out of a possible 50
points. Unfortunately before shooting the
tie of the sergeant-major was called away,
and when he returned from a brisk walk
his nerves were hardly up to the mark.

THE WHEEL.

The League of American Wheelmen has
decided to bar colored men from mem-
bership and to put the makers' amateurs in
a class by themselves.

CURLING.

Toronto curlers won the annual match
with Buffalo for the Thompson-Scoville
medal.

A curling match at Paris on Thursday
between the Granites, of Galt, and the
Paris clubs, three rinks a side, was won by
the home club. Score: Galt 51, Paris 67.

A friendly match was played at Port
Elgin on Thursday with two rinks from
Owen Sound and the home club. The
visitors were defeated. Score: Owen
Sound, 29; Port Elgin, 51.

Lord Aberdeen skipped a rink at Vic-
toria Rink, Toronto, on Thursday. His
opponents were skipped by Thomas Mc-
Cracken. The result was a draw, seven a
side.

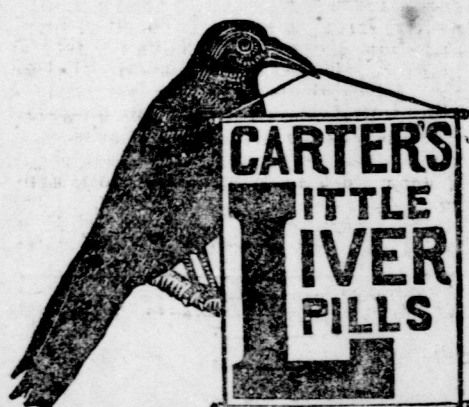

ATHLETICS.

THE CORBETT-JACKSON MATCH.

TORONTO, Feb. 22.—"Parson" Davies to-
day received a dispatch from parties in
Mount Clemens, Mich., saying they would
offer \$45,000 and training expenses for the
fight between Corbett and Jackson. They
guarantee that the law will not interfere
and ample protection will be afforded. The
"Parson" says terms are satisfactory so far
as he is concerned, but will insist upon the
Michigan parties depositing \$10,000 as a
guarantee that they are able to pull off the
fight.

Thrown as High as the Smokestack.

Acron, Ont., Feb. 22.—James D. Mc-
Donald, a farmer living on the sixth line,
at 28, Nassagaweya, was badly hurt to-
day while crossing the G. T. R. track at
Creswell's corners. He was driving across
the track when the 2:30 express struck the
sleigh, cutting it in two, throwing each
half on opposite sides of the way. Mc-
Donald was thrown as high as the smoke-
stack and came down on his head at one
side of the track. The extent of his in-
juries is not yet known. The horses escaped
unhurt.

POLITICAL POINTS.

**Lincoln and North Wentworth Patrons
Nominate Candidates.**

**D'Alton McCarthy Questioned as to the
Judgment in the Manitoba
School Case.**

D'ALTON MCCARTHY QUESTIONED.
TORONTO, Feb. 22.—Mr. D'Alton Mc-
Carthy was asked his opinion in the judg-
ment in the Manitoba school case. He had
little to say, but intimated the possibility,
if not probability, of the decision of the
Supreme Court being endorsed by the Privy
Council. He based his view of the matter
on the utterance of Lord Watson during
the argument of the case of Barrett vs.
Winnipeg.

LINCOLN PATRONS.
BEAMSVILLE, Feb. 22.—Robert Thomp-
son, of Grantham, was nominated to-day
by the Patrons as their candidate in
Lincoln county for the Local Legislature.

WENTWORTH PATRONS.
DUNDAS, Feb. 22.—The Patrons of North
Wentworth met at Ballock's Corner to-
day, and nominated R. M. Biggs for the
Legislature. The convention pledged their
candidate to prohibition.

OTTAWA, Feb. 22.—At a meeting of the
Patrons of Industry at Vars, in the county
of Russell, near Ottawa, Benjamin Roth-
well, a farmer, was nominated for the
Legislature. Mr. Edwards, M. P., was
present at the meeting by invitation and
made a speech. It is likely the Patrons
will endorse his candidature—at any rate
they have not nominated anyone else.

NOTES.
The Patrons of Industry of Addington
have decided not to nominate candidates
for the Legislature and House of Commons.
Hon. Joseph Martin addressed the Win-
nipeg Liberal Club on "Education." He
claimed that the State has no right to
meddle with religion, and should only
provide elementary teaching for the
masses.

The D'Alton McCarthy Club of Colling-
wood will tender a public reception to Mr.
McCarthy on Wednesday, Feb. 28.

THE SOAP MEN

**Want a Rearrangement of the Domin-
ion Tariff.**

OTTAWA, Feb. 22.—George Grey, of Lon-
don, Ont., Robert Henry, of Brantford,
with about fifteen others engaged in soap
manufacturing business, had a long inter-
view with the tariff committee of the Cab-
inet to-day in regard to the duty on soap.
J. & C. Hodgson and Wm. McMaster,
Montreal, are here in respect to tariff on
wrought iron pipes.

Noxon Bros., Ingersoll, had also an in-
terview with the committee on the duty on
agricultural implements.

CHRISTIAN ENDEAVORERS.

**Success of the Lambton County Con-
vention—Large Meetings and Much
Interest Manifested.**

WATFORD, Ont., Feb. 22.—The Lambton
convention of the Young People's Christian
Endeavor, which has been in session here
yesterday and to-day, has been the most
successful one since the organization. Yester-
day evening's session, which was held in
the Methodist Church, completely filled the
building, and the sunrise prayer meeting
held this morning in the Presbyterian Sab-
bath school rooms was very largely at-
tended. At all the sessions the churches
were filled to their utmost, and the greatest
interest was manifested by the numerous
delegates in the part which they took in
connection with the discussions on the
various papers read, all of which were well
prepared.

The following reverend gentlemen were
present: Rev. Mr. Hindly and Rev. Mr.
Hayhurst, of Forest; Rev. Mr. McLaurin
and Rev. Mr. Nichol, of Sarnia; Rev. Mr.
Dayfoot, of Stratford; Rev. Mr. Westman,
of Brooklee; Rev. Mr. Thomas, of Warwick,
and the resident ministers, all of whom
took an active part in the proceedings.

Thirty-Seven Rioters Sentenced.

PITTSBURG, Pa., Feb. 22.—The 37 per-
sons who were convicted of riots in Mans-
field valley were sentenced to-day to terms
ranging from one year in the workhouse to
two years and six months in the peniten-
tiary, the latter and longer term being
allotted to Julius Planter, a leader of the
Anarchist element.

Wealth in Wagner Cars.

ALBANY, N. Y., Feb. 22.—The report of
the Wagner Palace Car Company for the
year ended Dec. 31 shows gross earn-
ings, including all operations of the com-
pany in twenty States and the Dominion of
Canada, \$1,139,330; expenditures, \$818,182.

The Governor of Texas Arrested.

AUSTIN, Tex., Feb. 22.—Sheriff White
to-day arrested Gov. Hogg for alleged vio-
lation of the State game law while in
Nacogdoches county a few weeks ago. The
Governor gave the required bail bond.

Left the Church.

TORONTO, Feb. 22.—Rev. C. Lutz, who
followed Rev. Mr. Lewis as priest-vicar at
St. Alban's Cathedral, and who resigned that
position ten months ago to accept the
rectorship of the Anglican Church at Har-
row, has joined the Roman Catholic
Church. He preached his last sermon as an
Anglican minister at Harrow at the end of
last week, and then resigned his position.
Mr. Lutz is a graduate of Oxford Univer-
sity, and is considered a very able man.

The Sting Within.

It is said there is a rankling thorn in
every heart, and yet that none would ex-
change their own for that of another. Be
that as it may, the sting arising from the
heart of a corn is real enough, and in this
land of tight boots a very common com-
plaint also. Putnam's Pain-Expeller Corn Ex-
tractor is a never failing remedy for this
kind of heartache, as you can easily prove
it afflicted. Cheap, sure, painless. Try
the genuine and use no other.

NOVELTIES IN READING.

**The March Magazines and Latest in
New Books.**

Much interest has been evinced through-
out the West in the Canadian Magazine for
February. The principal contribution was
by Hon. David Mills. "The Schools of
the Olden Times," by one of the boys, is his
theme, and many odd recollections are
stirred up.

Dr. Holmes, it is pleasant to note, is
passing comfortably and happily through
this season so dangerous to elderly people.
He is described as looking the other day,
lithic, silver-haired and keen-eyed, laughing
and chatting with twinkling eyes and
flashes of merry repartee.

The March number of the Forum (which,
by the way, begins volume XVII.) contains
the sharpest and, it is believed, the most
helpful discussion of the income tax that
has anywhere appeared. Hon. Uriel S.
Hall, member of Congress from Missouri,
writes in favor of it; and Mr. David A.
Wells, against it. The same number of
the Forum contains the first of a series
of articles on different systems of
socialism or communism that are favored
by different groups of agitators in the
United States; Mr. Edward Bellamy ex-
plains definitely the programme of the Na-
tionalists, and Prof. William G. Sumner, of
Yale University, criticises this programme,
showing its impracticability. Another
striking article in this number is a search-
ing inquiry into the causes of railroad
failures in 1893, by Mr. Simon Stern.
(New York: Forum Publishing Company.)

The Rose Publishing Company has issued
a handsome volume entitled, "Milestone
Moods and Memories." These poems and
songs are by Mr. Donald McCaig, formerly
of Pashine, now inspector of schools for
the district of Algoma. The work is a
distinct and meritorious addition to Cana-
dian poetry.

It now transpires that John Oliver
Hobbes, who is Mrs. Craigie, was a Miss
Richards, of New York.

Since the price of Munsey's Magazine
has been cut down from 25 to 10 cents the
publishers claim that it has now the largest
circulation of the monthlies in the coun-
try. On reading the last number to hand
the subscriber will be perplexed to know
how so much can be furnished so cheaply.

The February edition of the Cosmo-
politan (New York) was exhausted on the
5th of the month. This demonstrates the
great popularity of the magazine.

Ruskin, in his character and home life,
is the subject of an intimate and sym-
pathetic study by Mr. M. H. Spielmann,
editor of the Magazine of Art in McClure's
Magazine for March. Views of Brantwood,
Ruskin's home, and of points of interest
roundabout, and various portraits of Ruskin
will accompany the article. Rudyard Kip-
ling, Robert Louis Stevenson and Octave
Thaumat all contribute to the fiction of the
month, giving special distinction to that
feature of the number. Andrew Lang, J. T.
Trowbridge and Renan are the subjects
of the "serial" portraits in the
"Human Documents" department. Mc-
Clure's is a first-class monthly.

"The Life Here and the Life Hereafter,"
an Easter sermon by Phillips Brooks, will
be published in a few days by E. P. Dutton
& Co.

The New York Christian at Work is one
of the oldest and most ably conducted of all
the American religious weeklies. It is a
model of typography, and each number
contains a large variety of useful and enter-
taining reading well calculated to make its
readers both wiser and better. We have
no hesitation in recommending it as among
the very best of all the high class religious
papers now published. It is non-sectarian
and non-partisan, but independent and fair
towards all. An especial inducement to
subscribers this year a new beautifully and
substantially bound Teacher's Bible, with
valuable notes, references and other at-
tractions, is presented to each subscriber.
These Bibles alone, it is claimed, have been
constantly selling for more than the full
price. Terms, \$3 a year. Address, Christian
at Work, New York.

Edward Bok's successful article in the
January Cosmopolitan on "The Young
Man in Business," has been reprinted in a
tasteful and handy booklet form at 10
cents by the Curtis Publishing Company, of
Philadelphia. To this reprint Mr. Bok
has added some fourteen pages of editorial
matter answering "Three Uncertain Young
Men."

Mr. R. L. Stevenson is engaged upon
three Scotch stories—so he writes from
Samoa to Mr. Barrie.

"The Strike at Shane's," is a pleasantly
written story, published in the interests of
the Humane Society by Geo. T. Angell,
Boston. It should be read in every school.
Mr. Angell is doing a great work.

Mme. Modjeska has collected her mag-
azine essays and sketches into a volume,
which Rand, McNally & Co. will publish.

Notwithstanding the reduction in price,
the Jenness Miller Monthly Magazine
shows no diminution in quantity or
quality. The February number con-
tains a well-told story, which has more
originality and variety than most short stories.
The paper on "Presentation at Court" will
be found of marked interest. Mrs. Ewing's
pages of household information and Mrs.
Jenness Miller's talks on dress are particu-
larly interesting. Published at 114 Fifth
avenue, New York. Price, 50 cents a year.

The lady who, as Miss Duncan, used to
write newspaper letters from Canada and
who produced in "A Social Departure" an
uncommonly sparkling book of travel, has
written a novel. It is to be published
soon under the title of "A Daughter of
To-Day." Miss Duncan is now Mrs.
Cotes and lives in India.

The title of Thomas Hardy's forthcom-
ing volume is "Life's Little Ironies," a set
of tales, with some colloquial sketches
entitled "A Few Crusted Characters." This
is the first volume from Mr. Hardy
since the extraordinary success of "Tess."
It will be published by Harper & Brothers.

The Dial continues to hold front rank as
a semi-monthly journal of literary criti-
cism, discussion and information. Its
regular features are: Carefully-written

editorial articles upon prominent literary,
educational and allied subjects; contributed
articles by well-known writers upon timely
and important topics; occasional short
poems upon literary themes; the discus-
sion of special subjects in communications
from contributors and readers; extended
reviews of the important books of the day,
more exhaustive and elaborate than ap-
pear in any other American critical
journal, and signed by the writers,
usually well-known specialists and recog-
nized authorities on the subjects dis-
cussed; briefer but carefully written
criticisms of a great variety of
new books; a full department of literary
notes, news and miscellany; an index to
topics in current leading periodicals, and a
complete list of the new books of the fort-
night, carefully classified in departments,
with full details of size, price, etc., by
which the reader is kept fully informed as
to the important books that are appearing
in all departments of literature. A trained
and efficient editorial staff and a list of con-
tributors representing the faculties of over
thirty universities and colleges, including
many of the foremost American scholars,
and specialists, guarantee the high quality
of the Dial's contents, and justify its claim
to its distinctive position as the foremost
"Journal of literary criticism, discussion
and information" in America. \$2 a year.

DOMINION GRANGERS

**Hold Their Nineteenth Annual Session
—Some Planks of the Patrons'
Platform Indorsed—Re-
form at Ottawa
Needed.**

TORONTO, Feb. 22.—The Dominion Grange
of Canada opened their nineteenth annual
session at the Albion Hotel yesterday.
John Hepinstall, master granger, said in
his address: "We represent one of the
most important callings on earth. Ours
was the first society of farmers having for
its aim concentrated effort for personal and
universal benefit. Our aim is to dis-
countenance the credit system, which
tends to prodigality and bankruptcy.
We are not a political or party organiza-
tion, and we discuss no religious questions,
but we hold that political economy is a
proper subject for discussion. It is our
duty to head the flow of current events,
and throw our influence on the side of the
right."

Overseer Kennedy, of Peterboro, said
he wished that the party bondage, which
had existed so long might be broken, and
that independent thought might be allowed
to exert its influence. Farmers should
stand by each other, and not allow mer-
chants and manufacturers to persuade them
to vote against their own collective inter-
ests. It was a great satisfaction to him to
see that the Patrons of Industry were in
such a flourishing condition. The field
was large enough for both societies, and he
looked for much improvement in coming
years.

Committees on legislation, good of the
order, finance, education, agriculture and
constitution were appointed.
The executive committee reported as fol-
lows:

In regard to the platform of the Patrons
of Industry they had no hesitation in
recommending many of the planks,
and would go still farther in re-
spect to economy and retrenchment
throughout the public service including the
reduction of the number of county coun-
cillors and the abolition of the grand jury.
The committee was not sure as to the
wisdom of the initiative and referendum
advocated by the labor organizations.
Cumulative voting was regarded as ob-
jectionable as it would lead to corruption
by a few schemers. The report recom-
mended Government assistance in the
establishment of a smelter at some point in
the Sudbury district.

There was a warm discussion on a report
from the committee on agriculture, which
thought the Dominion Government should
do something to relieve the great financial
depression now being felt by farmers. The
Government should prevent so much money
going out of the country as interest on
loans, an amount which, the committee
said, had been placed at \$90,000,000 an-
nually.

less expenditure, by more promptly
adapting the world's best products to
the needs of physical being, will attest
the value to health of the pure liquid
laxative principles embraced in the
remedy, Syrup of Figs.

Its excellence is due to its presenting

ant to the taste, the refreshing and truly
beneficial properties of a perfect laxa-
tive; effectually cleansing the system,
dispelling colds, headaches and fevers
and permanently curing constipation.
It has given satisfaction to millions and
