On Monday afternoon about 3 o'clock fire was discovered in the upper story of a brick warehouse owned by John Price, and occupied by W. A. Day, on Joseph street, Port Stanley. The alarm was given and soon a crowd of men were on the spot to render all the assistance in their power in subduing the flames. After half an hour's vigorous work with pails, tubs and boilers of water from adjacent wells, the flames were extinguished. The damage to the upper floor and roof, as well as to the icehouse in the rear, is estimated at \$350, covered by insurance in the Western Assurance Company. Mr. Day had a lot of straw hats, egg crates, crockery, glassware, groceries and miscellaneous articles destroyed. His loss will be upwards of \$300, covered by insurance in the Northern Insurance Company.
