#### AN ARCHDUCHESS ELOPES

Of the four towns and villages, Strath- Another Member of a Royal Family Creates a Scandal.

It appears that a young and handsome archduchess disappeared mysteri-64 ously from the court at the end of last 46 November. No trace of her move-82 ments could be found until Dec. 3. when she arrived at the Hotel Bellevue 77 here, accompanied by a distinguished-67 looking man, who signed his name in the register as Ferdinand de Szuyni. The archduchess, who wore costly furs,

refused to sign the register. For three weeks the couple lived in 29 a most extravagant manner. They went to masked balls at the Kursaal and indulged in every other form of amusement.

47 During the fourth week a lawyer 49 named Stanz, of Vienna, arrived at the 42 hotel, and had a stormy interview with 46 the couple. He endeavored to per-60 suade the woman to return home, but 39 she refused, and the lawyer went back to Vienna.

Shortly afterward Dr. Joseph Fleischmann, also of Vienna, went to the hotel, and when he had been there ten days he succeeded in persuading the archduchess to return with him to

Vienna. Szuyni bade her farewell and went 52 to Montreaux, leaving the greater por-89 tion of their luggage, including a num-55 ber of valuable dogs and beautiful 48 birds belonging to the archduchess, at

A day or two ago the proprietor of the hotel received a check from Vienna in settlement of all claims, and he then forwarded all the archduchess' belong ings to her home.

### THE FOXTERRIER.

The foxterrier is the most intelligent of all the smaller breeds, and there is 44 hardly a trick that he cannot learn in a 37 very few lessons. He is usually healthy. 35 makes the best kind of a watchdog, and his 23 ability to catch and kill rats and other vermin is a nousehold story. In symmetry, size and character, the

dog must present a generally gay, lively and active appearance. The terrier, like the foxhound, must on no account be 524 "leggy," nor must he be too short in the He should stand like a cleverly-334 made hunter, covering a lot of ground, yet 176 with a short back, as before stated. He will then attain the highest degree of pro-366 pelling power, together with the greatest length of stride that is compatible with the length of his body. Weight is not a criterion of a terrier's fitness for his workgeneral shape, size and contour are the main points; and if a dog can gallon and 2,024 stay and follow his fox up a drain, it matters little what his weight is to a pound or so; though, roughly speaking, it may be said that he should not scale over twenty pounds.-Home Magazine.

Victoria, B. C., Feb. 22.-The Provincial Government gives notice in today's Gazette that It lays claim to all the Indian reserves alienated from their original use by sale or otherwise. This notice claims all such lands on behalf of the Province, and reserves them from pre-emption, pur-
