For Stomach Pains and Cramps, No Remedy So Prompt as Nerviline.

A Westerner's Experience Related.

"It's in an unsettled part of the country like our far West that proves how valuable Nerviline is in the home," writes Mr. Patrick M. Dehaney, from Fort Saskatchewan. "Chills are frequent-a hot drink of Nerviline sends life circulating through the body in three minutes. Cramps or sudden illness at night is one of our terrors. No druggist or doctor is near, but if Nerviline is handy you can get relief. The worst cramps Nerviline has cured in my children in half a minute. I don't think any farmer's wife has any right to be without the protection of Nerviline. In our family we use it for a hundred ills, and it cures them all, One night one of my kiddies had earache and another toothache. Without Nerviline no one could have slept-I applied it as directed, and the children's pains disappeared. My husband uses Nerviline for lame back, rheumatism, aching joints and all sorts of muscular pains. It is as good inside as outside, and is as much a part of my home as my kitchen stove."

You find a thousand uses for a good family remedy like Nerviline. Get the 50c family size bottle; it's more economical than the 25c trial size Sold by all storekeepers and druggists or The Catarrhozone Co., Kingston,

HEART AND NERVES WERE BAD.

To the thousands of people who toss on a sleepless pillow night after night, or who pace the bedroom floor with nerves unhinged, heart action wrong, and to whose eye sleep will not come, Milburn's Heart and Nerve Pills offer the blessing of sound, refreshing slumber.

They restore the equilibrium of the deranged nerve centres and correct the wrong action of the heart.

Mrs. Wm. Douglas, Thessalon, Ont., writes:-"I am going to send you my testimonial for what your Milburn's Heart and Nerve Pills did for me. For four years I could not sleep well at night, as my heart and nerves were so bad. I tried all the doctors here, but none of them helped me.
