

Clinton Is Without Lights As Cars Break Hydro Pole

Peculiar Accident Disables Service As Wire Support Is Broken in Two.

AUTOS ARE SMASHED

Special to The Advertiser.
Clinton, Oct. 11.—The hydro was put out of commission here for about one hour Saturday evening, due to an automobile accident on Victoria street. An auto, driven by Mr. Campbell, knocked against a hydro pole with such force that it broke the pole in two pieces. Mr. Campbell was proceeding north on Victoria street and when approaching a side street which runs east of King he noticed another car. To avoid collision both swung their cars quickly, and the auto driven by Mr. E. Harness struck the right front wheel of Mr. Campbell's car, driving it into the hydro pole. No one was injured, the cars receiving only minor damages. The hydro men were promptly on the job, and in an hour had the pole set again and the power on.

BICYCLIST DIES AFTER ACCIDENT

Clarence Austin of Chatham Succumbs Two Days After Crash.

Special to The Advertiser.
Chatham, Oct. 11.—Injuries received last Thursday, when he was run down by a motor car, proved fatal yesterday afternoon to Clarence Austin of this city. Dr. T. L. McEltchle opened an inquest last evening, and after the jury had viewed the remains adjournment was made until Monday evening, Oct. 19.
The accident occurred on the Chatham-Dover township, a short distance beyond the city limits. Austin was riding his bicycle north on the road and James A. Highgate of Chatham township was driving south towards the city. The latter turned out to pass a wagon travelling citywards, and in an effort to avoid hitting Austin drove his car into the ditch. The bumper of the machine, however, struck the bicycle and carried the rider over the embankment. He was pinned between the car and the side of the ditch.
Austin was 30 years of age, and is survived by his mother and one brother.

A motor truck driven by Uytendahl and a car driven by Harold Broadbent of Meridian collided at a street intersection, but no person was seriously hurt, although both vehicles were badly damaged.

Last Minute Touches Given Exhibition Which Promises Success.

Special to The Advertiser.
Ingersoll, Oct. 11.—Last-minute touches in preparation for the opening of the Ingersoll fair were made by the directors of the Agricultural society at a meeting held at the exhibition grounds on Saturday afternoon. The indications point to a very heavy showing in the livestock departments, as numerous reservations have already been made for accommodation in the horse barn. The cattle barn is being reserved for the accredited herds, in accordance with a government regulation, while adequate accommodation will also be provided for the non-accredited cattle.

A big list of entries is anticipated for the trials of speed. The card consists of a 2:18 pace or trot and a 2:25 pace or trot, \$450 being offered in purses. It was also decided to add a running race to the program, and assurance has been given that there will be a number of thoroughbreds here for this event.

E. LAMBTON LIBERALS IN VIGOROUS CAMPAIGN

Organizer Lining Up Government Supporters Behind Stirrett.

Special to The Advertiser.
Petrolia, Oct. 11.—There is every indication that the coming federal election will be keenly contested in the riding of East Lambton. There are three candidates in the field, representing the interests of Liberal, Progressive and Conservative parties.

Judging from the enthusiasm in each of the campaign grounds, the Liberals, despite the split in their ranks following the Alvinston convention, will make a most admirable showing. The Liberal executive has brought into the constituency a Liberal organizer, who is whipping the party supporters into line for the campaign, in which John R. Stirrett is the government standard-bearer.

The Progressives held an enthusiastic meeting in the local club room last night, and the Liberal regime at Ottawa was roundly scored because of its failure to reduce the tariff enough to satisfy the wants of the farmers.
