SUFFERED EVERYTHING

For Years, Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Canadian women are continually writing us such letters as the two following, which are heartfelt expressions of gratitude for restored health:

Glanford Station, Ont. — "I have taken Lydia E. Pinkham's Vegetable Compound and never found any medicine to compare with it. I had ulcers and falling of womb and doctors did me no good. I suffered dreadfully for years until I began taking your medicine. I also recommend it for nervousness and indigestion." — Mrs. HENRY CLARK, Glanford Station, Ont.

Chesterville, Ont. — "I heard your medicines highly praised, and a year ago I began taking them for falling of womb and ovarian trouble. 'My left side pained me all the time and just before my periods which were irregular and painful it would be worse. To sit down caused me pain and suffering and I would be so nervous some times that I could not bear to see any one or hear any one speak. Little specks would float before my eyes and I was always constipated. 'I cannot say too much for Lydia E. Pinkham's Vegetable Compound and Liver Pills, for there are no medicines like them. I have taken them and I recommend them to all women. You may publish this testimonial.' — Mrs. STEPHEN J. MARTIN, Chesterville, Ontario, Canada.

CHEAP FARES TO TORONTO EXHIBITION

In connection with the Canadian National Exhibition at Toronto which will be held this year from August 24th until September 9th, the Intercolonial Railway will give very low excursion rates which will give the opportunity to many to visit the "Queen city" on the occasion of its great annual fête.

The Toronto Fair is the largest and most attractive of annual exhibitions in America, and this year new permanent buildings have been constructed and its extensive boundaries enlarged by new boulevards. Aside from the attractions of the exhibition a visit to Toronto at this season is sure to be enjoyable and with the very low rates prevailing it will be possible for persons of moderate means. From Campbellton the round trip fare will be \$21.30 good going August 22, 24, 25, 27, 28 and September 4 & 5. A special rate of \$16.30 will prevail on August 23 & 29, and on September 3rd. All tickets are good to return September 11th. Maritime Province travellers will have their choice of two through vestibuled trains, the Ocean Limited and the Maritime Express, both of which connect at Bonaventure Union Station Montreal with the through Grand Trunk Railway trains for Toronto. It will be well for intending travellers to apply early for reservations.

erly side of a reserved road in the South Easterly angle of lot number sixty seven, granted to John McMillan, thence running by the magnet of the year one thousand eight hundred and fifty two, North along the Eastern line of said Grant eighty chains to a stake thence East twelve chains and fifty links to a Birch Tree standing on the North Westerly side of lot number 69, granted to William S. Smith, thence along the Westerly line thereof South 80 chains to the Northerly side of the reserved road aforesaid and thence along the same West twelve chains and fifty links to the place of beginning and which said lot number 68 contains 100 acres more or less, and the said Eastern half of said lot contains fifty acres more or less. Together with all and singular the privileges, profits, hereditaments and appurtenances thereto belonging, but subject to the dower and right of dower therein of the widow of the said Andrew Dugas.

The said sale will be made by virtue of a Power of Sale contained in the said Indenture of Mortgage, and by reason of default in payment of a part of the principal money and interest secured in and by the said Indenture of Mortgage.

Dated the sixth day of July, A. D. 1912.

BRITAIN'S STRONG TEAM FOR MOTOR BOAT TROPHY

America Feels Confident However.

The British will make a strong bid for the international trophy for motor boats this year, and great preparations are being made on both sides of the Atlantic for the series of races. Three British boats will arrive at New York about Aug. 20 and one of these will be the Macay Edgar's Maple Leaf IV. Last year's Maple Leaf was a failure, but during the winter a new hull was built of the Saunders-Fauler type, which is modelled similar to the Pioneer, and the motors have improved where all the trouble last year lay. The horse power of these motors is about 700 and in her trial race she met the Marquis of Anglesey's Mona and Norman Neil's Mimir. The course was three times around a triangle of 11 sea miles and laid well out in open water. The Maple Leaf's crew had some trouble in getting the engines started, but when once off she ran fast and true and over hauling the others won easily. Her time for the thirty-three miles was at the rate of a little more than forty-six miles an hour, and it was reported by the engineers that the motors were not tuning up within 100 revolutions of their maximum.

While the Mona and Mimir did not show any phenomenal speed, they did well and were not driven to their best, as there was no necessity in risking a breakdown. The other boat built as a defender, the Silver Heels, owned by Dan Hanbury, is said to have shown very high speed, but for some reason was not on hand at the trial. She is to be tried before the committee announces the three challengers. This boat is fitted with six four-cylinder Vauxhall engines which can turn up more than 2,000 revolutions, but experts think that she has too many units for her engine to attend to and will not be very reliable.

The Motor Boat Club of America, which confident of ultimate success, is leaving no stone unturned to make the races as attractive as possible, and to induce owners of fast motor boats to enter the eliminating trials. The trial will be held at Huntington on August 26, 27, 28, and invitations have been sent to 150 motor club asking members who have fast boats to compete. It is a figured that their will be about ten in the trials, but there are many more eligible. Efforts are being made by some builders to get out the new craft, and the fleet of defenders will range in size from the 40-foot high-powered boat to the 20-footer fitted with motors of moderate power.

GLORIOUS HAIR FOR WOMEN

Nothing Ever Discovered So Good to Make Hair Lustrous and Fascinating.

Every woman, man or child can easily have a beautiful head of radiant hair by simply using PARISIAN SHAM.

It is a wonderfully efficient preparation that stops scalp itch over night, kills all germs at once, banishes all dandruff immediately and stops hair from falling.

It is a refreshing, invigorating and pleasant hair tonic and does not contain poisonous lead or any harmful ingredient.

A large bottle can be obtained for only 50 cents at dealers everywhere. The girl with the Auburn hair is on every carton and bottle. See that you get the genuine. You can depend upon getting it at Thos. Wran.

TWELVE FOOT CURLING CIRCLE

Latest Ruling by Royal Caledonia Curling Club of Canada.

Mr. W. D. Aird, Montreal, secretary of the Canadian branch of the Royal Caledonia Curling Club, received a letter Wednesday which is of great interest to all the curlers in Canada. It was signed by Mr. A. Davidson Smith, the secretary of the club, and was to the effect that at the annual meeting, it was decided to grant permission to the Canadian club to play for the "Dixie" medals on a twelve-foot circle providing the competitions take place in doors.

One of the most common ailments that hard working people are afflicted with is lame back. Apply Chamberlain's Liniment twice a day and massage the parts thoroughly at each application, and you will get quick relief. For sale by all dealers.

PLANTS OF ONTARIO

A valuable collection of Ontario plants has been presented to the Department of Botany of the University of Toronto and by Principal William Scott of the Normal School. There are about 5,000 sheets in all, thoroughly representative of the flora of certain parts of the Province, particularly of the east and central south. This collection embodies the work of many years, done by Principal Scott during the recreation hours of his busy life. As Principal Scott is known to be a careful collector and a discriminating botanist, this latest contribution adds much to the working store of Ontario plants in the herbarium of the University.

WHY GEMS SHINE IN DARK

What we call darkness is really the absence of all light, and in such a condition neither precious stones nor anything else will shine. But should there be even a little light, then anything that has a polished surface, such as a diamond, reflects that light from it, giving rise to the appearance of brilliancy, and so one might be able to notice a stone of this kind in a very dim light, which we might be inclined to call darkness. But there must be a little light or we could not get the reflection.

A MARTYR TO HAY FEVER

"Fruit-a-lives" Cured After 15 Years' Suffering

CORNWALL CENTRE, ONT., NOVEMBER 27th 1911.

"I was a martyr to Hay Fever for probably fifteen years and I suffered terribly at times. I consulted many physicians and took their treatment, and I tried every remedy I heard of as being good for Hay Fever but nothing helped me.

Then I heard of "Fruit-a-lives" and decided to try them, and I am thankful to say that this remedy cured me completely.

To every sufferer from Hay Fever, I wish to say "Try Fruit-a-lives". This medicine cured me when every other treatment failed, and I believe it is a perfect cure for this dreadful disease—Hay Fever."

MRS. HENRY KEMP.

The real cause of Hay Fever is poisoned blood, due to the faulty action of the bowels, kidneys and skin. "Fruit-a-lives" cleans the blood by regulating bowels, kidneys and skin—and thus relieves the excessive strain on the nervous system. Try "Fruit-a-lives".

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

IRISH PRIEST BOYCOTTED

The unusual measure of boycotting a parish priest has been adopted in the neighborhood of Westport, county Mayo, Ireland. Some time ago the priest advised his people to pay the rents due from them and to disregard the efforts of agitators, who were going round the district telling people not to pay and to join in a land war. He also denounced that local branch of the Ancient Order of Hibernians. The order then went round that at a certain anniversary, at which many of the people had been accustomed to contribute so much as a sovereign to the collection, no one was to give more than a shilling. The worshippers were watched as they entered the church, and those who were seen to put more than a shilling in the plate were seized and their turf flat thrown into the bog, their poultry killed and their cattle driven off. These efforts failing to bring the priest round to the cause of the agitators, the extreme step was taken of getting signatures to a petition praying the Bishop to remove him from the district. The priest has been denounced by the local adherents of the league as a "Government spy."

"I was cured of diarrhoea by one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes M. E. Gebhardt, Oriole, Pa. There is nothing better. For sale by all dealers.

1000 KILLED BY AN EARTHQUAKE

The Loss of Life in Turkey Worse Than Was First Reported.

PEOPLE HOMELESS

Constantinople, Aug. 11.—Reports here today indicate that the great earthquake which was felt through a great part of Turkey yesterday was accompanied by much heavier loss of life than at first stated. The newspapers today estimated the number of victims at a thousand killed, while the injured are said to number from five to six thousand.

The details of the earthquake, which are coming in slowly owing to the interruption of the wires indicate that the seismic disturbance was widespread. Thousands are homeless and outbreaks of fire have occurred in many of the towns and villages.

Great destruction has been caused by the upheaval. The entire district between Constantinople and Adrianople felt the shock severely. Fugitives from Myriophite report three hundred killed and six hundred injured. The town was still burning when they left. Ganoshora has been wiped out, eighty persons being killed and thirty wounded.

The wrecked buildings took fire and most of them were burned to the ground. Sharkoi was completely destroyed, and two nearby villages were engulfed. Adrianople suffered little damage but Tchorio was partially destroyed by the earthquake and fire.

The centre of the distance appears to have been in the region of the Dardanelles. Eye witnesses have arrived here from that section and give harrowing accounts of the havoc wrought. The majority of the houses in Gallipoli are in ruins and the people are camping in the fields. Echanak Kalesi (is in an equally bad plight but the loss of lives in these towns is small, although the injured are many.

The shock was felt by the warships anchored in the Dardanelles. It was first attributed to Italian torpedoes.

The captain of the American steamer Virginia reports that the lighthouse at Ganos Hora, in the sea of Marmora, has disappeared and that the villages in the surrounding country are in flames. He was unable to anchor and render assistance owing to the violent movement of the sea.

Constantinople, Aug. 12.—The Yali of Adrianople today reported to the Constantinople Government the loss of life at Adrianople from the severe earthquake which on Aug. 9th shook the northern and southern coasts of the sea of Marmora, was small. Adrianople is 182 miles to the north west of the capital.

"I want you, sir, to correct the statement you made recently that I drink like a fish."

"All right. But if you will stop a moment to think, a fish drinks nothing but water, and only what it needs of that."

HARVEST HANDS WANTED

Fifty-seven thousand five hundred harvest hands, in addition to those now on the ground, will be required in the prairie provinces to gather this season's crop. This is 11,000 more men than were required last year. It is estimated that the wheat crop alone will be fully 350,000,000 bushels. Most of the extra help will come from eastern Canada and the United States. The machines will be in full swing about August 20. This program will put all grains, including oats, barley and flax, in stock by Sept. 15, fully three weeks ahead of previous seasons. Hundreds of thousands of acres of land have been added to the wheat area in Alberta and neighboring provinces in the last twelve months and as many more are devoted to mixed farming, dairying, hog raising and poultry growing.

HOW'S THIS?

WALDING, KINNAM, & MARVIN, Wholesale Druggists, Toledo, O.

Hall's Catarrh Cure is made internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price 75 cents per bottle. Sold by all Druggists.

Take Hall's Family Pill for constipation.

LIFE BELTS FOR NAVY

French Warships Must Supply Each Man.

Paris, August 10.—As a result of the Titanic disaster, M. Declaux, the Minister of Marine, issued this week regulations to the effect that all naval vessels must in future carry as many life boats as men. This rule formerly applied to merchant ships only.

In the navy torpedo boats destroyers were the only vessels to carry a sufficient number of belts, bathtubs and cruisers having only a small number in the life boats.

Since the catastrophe of last April, however, the Minister of Marine has decided that this state of things must be promptly remedied.

"Measures of safety," he says in a circular "should be as complete on warships as on merchant vessels. It cannot be permitted that the State should impose on the latter precautions which it refuses to take on board its own transports."

The circular further directs that the belts must not be kept, as hitherto, in bunkers, but in the most frequented parts of the ship.

Elderly Gentlemen—Now, then, you naughty boy, I'll have you backed up! You know you're not allowed to smoke. You'll never live to grow up to be a man like me if you do that!

Promising Youth—If I'm going to ter 'ave whiskers and a face like yours, I don't want to grow up, gov'ner!
