Bad Smash On I. C. R.
At Mill Creek Bridge.
Rear End Collision Results in Smashed Cars and Torn Up Right of Way—Live Stock Killed.

One of the worst wrecks on the I. C. R. for some time occurred just at the Campbellton end of the Mill Creek bridge about 8.30 o'clock last evening, when a fast special ran into the rear end of a heavy freight special. Fortunately only one man, and he was in charge of the live stock, was injured. The engine of the fast special plowed its way through the van and two cars loaded with lambs, killing a large number of these and setting the wreck on fire.
There were six cars of lambs and a car of cattle next the van. These were all badly broken up and many of the animals were killed or injured. A crowd soon gathered and by hard work emptied the cars of the uninjured live stock, and freed others from the wreckage. Those in the burning car were all taken out before the fire reached them, although many were scorched.
The car of cattle left the rails and rolled over and over down the steep embankment, coming to rest on its bottom, so that the imprisoned cattle could easily be removed. It was found that six were killed or so badly injured that they had to be killed.
The fast special, the engine of which struck the other train about three car lengths from the end of the high bridge did not leave the rails, with the exception of the engine. This was fortunate as there was a considerable depth of water under the bridge, as the tide was high, and the distance from bridge to water is considerable. The fast special had a very valuable freight cargo.
An alarm was rung in from box 13 and the Fire Department responded promptly. A line of hose was stretched from the hydrant at the street crossing and the fire in the wreckage was soon extinguished.
The night was a most disagreeable one, dark and an easterly rain storm raging, despite which hundreds of citizens visited the wreck.
The freight special was stalled for want of steam and the crew had placed signals on the track but the other train crew claim that they were not sufficiently distant from the stalled train to allow the faster one to pull up on the slippery rails.
The man injured was Alexander Martel of Danville, Que. He was removed to the hospital.
The freight special was in charge of Conductor Howard and Driver Bradshaw, while the other train was in charge of Conductor McWilliam and Driver Macauley.
The line was cleared at 2 o'clock and no regular trains were delayed.

MEMORIAL TO LATE
LIEUT. H. W. FERGUSON
Cot and Invalid Chair in Princess Cecilia Canadian Red Cross Hospital

In a friends here subscribed a sum of money for the purpose of providing a suitable memorial to the late Lieut. H. W. Ferguson of 26th Battalion. The sum of about \$87.00 was forwarded to Lady Tilley at St. John. Lady Tilley has written stating that it would be impossible during the war to erect a permanent monument to the memory of the fallen hero and suggested that the money be used to provide a cot and invalid chair, with suitable tablets in the Princess Patricia's Canadian Red Cross Special Hospital at Romagosa, England.
The suggestion has proved to be a suitable one and Lady Tilley has been advised to make the necessary arrangements.

London, October 24.—"The groyned gained by us yesterday in the neighborhood of Guedecourt and Les Boufs (on the Somme front) has now been fully secured," the War Office announced today.

Bucharest, October 24.—Romanian troops made an attack yesterday along the whole Oluz front, near the Transylvanian Rumanian border. The War Office announced the capture of ten machine guns and several hundred prisoners.
Paris, October 24.—The French official statement is as follows:
"On the Somme front there was a fairly lively artillery struggle in the region of Biaches and Abbaucourt. There was no infantry action."

WITCHES NIGHT
GREAT SUCCESS
Large Crowd Attend at Oddfellows' Hall—Proceeds for Patriotic Fund
Witches Night in the Oddfellows' Hall, Tuesday evening, (Halloween) drew a very large crowd, the hall being filled to overflowing.
The affair was under the direction of the ladies of the Soldier's Comforts Association and the proceeds which were about \$150 will go to the patriotic fund.
The hall was very prettily decorated with various Halloween designs in yellow and black, and the ladies in charge of the various booths also had witches costumes. The Witches booth, where fortunes were told was busy the entire evening and wonderful and prophetic were the tales told.
Various drawing attractions were also in evidence where one paid a dime and got a prize, something useful or grotesque.
The affair was a most enjoyable one and the ladies deserve great praise for the manner in which it was conducted.
