## THREE FACTS

### For Sick Women To Consider.

**First.**—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as headache, irregular and painful periods, displacements of the female organs, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

**Second.**—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing headache, nervousness, kidney troubles, inflammation of the female organs, weakness and displacements, regulating the periods perfectly and overcoming their pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

**Third.**—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

**Mrs. Pinkham's Standing Invitation to Women.**—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Mrs. Pinkham is daughter-in-law of Lydia E. Pinkham and for twenty-five years under her direction and since her decease she has been advising sick women free of charge. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

**DILLON HINGE-STAY FENCE**  
POINT 4. The Dillon HINGE-STAY Fence is to your stock what insurance is to your family. It protects them and offers a sure cost of veterinary. Illustrated Catalogue free—Live agents wanted.

J. W. MCLAREN, WATFORD.  
T. B. TAYLOR, WATFORD.  
C. R. READY, ARKONA.

**Pioneer Life in New Ontario.**  
Compared with the pioneer of Old Ontario, the pathway of our northern brother is rosy. The men who broke into the wilderness in these parts early in the last century bore on their backs the burden now carried by the iron horse into New Ontario. Twenty thirty or even forty miles the pioneer of Old Ontario carried his grist to the mill, happy if he accomplished his journey without interference from the pack of hungry wolves that roamed forest. Papers by the noon mail! Why weeks and months went by and the doings of outside world were to him as a sealed book. It was only after the clearing had widened into the settlement, and from the settlement a town had risen, and the solitude of the part had given place to the comfort and happiness of neighbors and schools and churches, that the railway came.

The makers of New Ontario are sterling people, worthy specimens of the greatest colonizing race that the world has ever seen. And they will succeed beyond all question, in the performance of their great task they gather inspiration from the record of the heroes who cheerfully and silently sacrificed their lives to the build of old Ontario.—Guelph Herald.

**SUPPORT**  
SCOTT'S EMULSION serves as a bridge to carry the weakened and starved system along until it can find firm support in ordinary food.  
Send for free sample.  
SCOTT & BOWNE, Chemists, Toronto, Ont.  
per. and \$1.00; all druggists.

## Yeates vs. Sarnia Township.

In March last the action of Mr. James Yeates, the owner of lot 26, in the ninth concession of Sarnia township, against township for damages to his crops by reason of flooding owing to the alleged negligence of the township, was tried before Mr. J. P. Rankin, K. C., drainage referee. The judgement which was reversed at the trial, has just been given. The lands were low lands, lying in the bed of the old Perche creek, and in a state of nature were swampy, and often flooded, but it was contended on behalf of the plaintiff that, after the construction of the Perche drain good crops were grown, until the Sproule drain was allowed to get out of repair. The referee finds that the damage to the plaintiff arose to some extent from the wet seasons of 1903 and 1904, and from the lowness of his lands, but that the bad state of repair of the Sproule drain, which it was the duty of the township to maintain, also contributed. He decided, also, that a sufficient outlet had not been provided for the waters brought down in four township drains to the Hand drain, and that the insufficiency of the outlet caused by the water to overflow the plaintiff's lands and materially contributed to the damage to his crops. He awards the plaintiff \$150.00 damage and costs on the county county scale. This trial occupied two days.

## Valuable Advice to Mothers

If your child comes in from play coughing or showing evidences of Grippe, Sore Throat, or sickness of any kind, get out your bottle of Nerviline. Rub the chest and neck with Nerviline, and give internal doses of ten drops of Nerviline in sweetened water every two hours. This will prevent any serious trouble. No stimulant or pain reliever equals Polson's Nerviline, which has been the great family remedy of Canada for the past fifty years. Try a 25c. bottle of Nerviline.

## Where Life is Long.

Senator Tillman and a colleague were discussing the question of the salubrity of various sections of the country, relates Success. "Well," said Mr. Tillman, "if the healthfulness of a region is indicated by the mere longevity of its inhabitants, then I think that Asheville, N. C., must have the palm. As an illustration of how long-lived the people are thereabouts, we Carolinians are fond of telling this story:

A visitor from the north asked an old gentleman where he was born and how old he was. The old chap replied: "I was born here in Asheville, and am 70 years old." "Oh!" exclaimed the Yankee "as you appear to be as hale and hearty as a man of 40, I've no doubt you'll live to a ripe old age. How old was your father when he died?" "Father died!" said the old man, looking surprised. "Father isn't dead! He's upstairs putting grandfather to bed!"

## About Female Ailments

Not Hard to Cure of Properly and Promptly Treated.

Ask any intelligent physician what causes nine-tenths of all female disease, even including anaemia, nervousness and constipation. Back comes the answer quick and sharp, "Constipated Bowels."

There is scarcely a single female ailment that has not in its earlier stages symptoms of constipation.

How much better off the system is without the poisonous accumulations caused by constipation. How much clearer the complexion, how much fresher one feels when the system is pure and clean.

Think it over yourself. Isn't it apparent that a bowel regulator and liver stimulant like Dr. Hamilton's Pills is sure to do good?

Gay spirits, good looks and happy health have returned to many a sick woman through Dr. Hamilton's Pills.

Better get a few boxes to-day: purely vegetable, free from injurious ingredients, healthful and antiseptic. Dr. Hamilton's Pills will assist you in a thousand ways.

As delay is always a dangerous, your plain duty is to follow the example of Mrs. F. Rowe, who sends the following letter from Graves, Port Au Port, Newfoundland:

"Four years ago I got kidney and bladder trouble. I thought it was female trouble and treated it accordingly. Even my doctor in St. John said it was so.

"In reading about Dr. Hamilton's Pills I noticed symptoms like mine and I bought six boxes. These pills went right to work on my sick condition and helped me from the first. My supposed female trouble, which was bladder disease, was cured. My weight increased eight pounds and never before was I as well as to-day. Dr. Hamilton's Pills did it all.

All dealers sell Dr. Hamilton's Pills 25c per box or five boxes for \$1.00. By mail from N. C. Polson & Co., Hartford, Conn., U.S.A. or Kingston, Ont.

## Tributes to the Departed.

Corn and bread are still offered by the pious Basques of the Pyrenees to the dear departed on their death anniversary. A traveller in Spain describes how, at San Sebastian, he has often seen some poor fisherman's daughter praying in a church for a dead relative "amid baskets full of fruit, loaves of bread and corn, and kneeling upon the tomb of her ancestor."

## Losing Your Hair?

And doing nothing to keep it? Most women like thick, heavy hair; long, luxuriant hair. Don't you? Then use Hall's Vegetable Sicilian Hair Renewer. You save what hair you have and get more at the same time. For the whiskers and moustache we make BUCHANAN'S DYE. It colors a rich brown or a soft black. R. P. HALL & CO., Nassau, N. Y.

## LITTLE BELL BIOGRAPHIES

### Beethoven

**LUDWIG VAN BEETHOVEN**, born at Bonn, 1770, died at Vienna, 1827, disputes with Bach the title—"The World's Greatest Musician." In such high honor was he held that 25,000 people—including the nobility, poets, artists, musicians and the populace of Vienna—attended his funeral. Like Bach and Mozart, he was early a musical prodigy. Until he was 25 he appeared privately as a pianist before the nobility. After 1795 he appeared in public, both as a pianist and as a conductor; but increasing deafness compelled him to give up both for composition.

He composed all forms of vocal and instrumental music—from the song to grand opera and oratorio, from the sonata to the concerto and the symphony. Of his nine great symphonies, the Pastoral, the Eroica and the Choral Symphony are universally admired. The pianoforte sonata, developed by Mozart and Haydn, he made perfect. His Opus 27 No. 2, popularly known as "The Moonlight Sonata," is a household favorite.

He was not so great a pianist as Mozart (who played the clavier), because he aimed more at originality and boldness in expression than at finish in technique. He was not so great as Liszt or Rubinstein because he was handicapped both by deafness and by an instrument which, while an improvement over the clavier, had nothing of the wonderful musical qualities of

### The Bell Piano

Its full, rich Singing Tone and its Illimitable Repeating Action make it pre-eminently THE Piano both for the Home and the Concert Hall. The full series of "Little Bell Biographies" in booklet form, illustrated, will be mailed free on request by
