The earthy career of Arthur Duke Wellington has closed; one of the greatest men of the Distention, the foreign structure at its next Session, that a Bill may pass to constitue the Island of Grandmanan a Port, and to admit thereto and transmit therefrom all articles of Foreign growth or Mannature, duty free. probity and honour, and events the greatest which have ever agitated the civilized world, and whose influence will be felt upon society till the end of time. Such a work must appeal to the best and proudest feelings in the heart of every Briton-the glory of his country, the honour of its name and position among the nations-nay his and engraven in the annals of the 'well fought fields," and " the deadly imminent breaches, the immortal battles and the glorb one sieges in which Wellington and the glorempanions in arms gathered untading laus rels, placed their country's honour and renown on the highest pinnacle of fame and glory, and tore the victors's wreath from the brows of heroes decorated with the trophics

of Italy, Egypt, and Germany. To supply such a desideratum in Eng-lish liverature, the publishers of The Life and Times of the Duke of Wellington have determined to produce a book which shall present to the reader, not only the dividetails which a mere biographical sketch would afford, but a comprehensive work, would stird, but a comprehensive work, embracing the contemporaneous history of the period; exhibiting the circumstances which brought about the great events iff which the Duke and his contemporaries were engaged, and giving to the reader a connected narrative of the lives and act our
