that will die out if the machine proves itself an 'improvement' upon the old contrivances for the extinguishment of fires."

SMART Boys.—The N w York Lournal Peace and Common Pleas for the Courty of pf Commerce relates the following history of the exploits of some yourhs in the great city of New York. Their brief career of precocions wick-days has happily been cut short: Fine boys were arrested on Friday evening at Birmam's Museum, where they had called to hire a private box for them solves. The closes had "hallen in love" day of April next, at 12 o'clock. selves. The eldest had "lallen in love" with Little Eve, and for several nights last companions, at \$5 per right. The Manager of the Museum, seeing them come so often for a private box, and suspenting they had money that had been obtained dishonestly.

By Order of Her Majesty's Justices. sent for the polices; and on searching them, no empty envelope, addressed to Sheppard on empty envelope, addressed to Sheppard & Co., Fulton St., was found on the person of the oldest boy. It was then ascertained that that firm had recently lost several maney-lesiers, and this boy having been the person who took the letters out of the Post Office for the firm. Post Office for the firm, he was suspected of retaining them for his own use, and was sent before the U.S. Court. On one evening last week, he threw upon the stage a hand some gold bracelet, for the Live, it is superintend their TAILORING DE. handleamer gold bracelet for. Little Eva," and has been in the habit of watching the stage that she entered, as she was heaving the Museum for home after the evening's strictly to the wishes of their Customers, and performance, and of getting into it. He is found if the strictles of the newest form is them. about 14 years of age

Indiaway's Pitls—Wooderful Cure of a diseased Liver. Emily Burion, aged 31, of Horlys, Nova Sepin, was for a long time on a very precarious state of health, oabig to be prescribed for her in vina, and every remedy she though blooky to benefit the remediated by the commenced using Hollowing and the like of success. About two smooths are, she commenced using Hollowing the commenced using Hollowi way's Pills, and complied with the printe very strils, and compiled with the printed directions, which quarkly produced a very pleasing change; in five weeks, the bloom of health was again upon-het cheeks, being perfectly cuted, to the agreeable surprise of her friends. These Pills are also to failible in all diseases of the signach and howels.
