

11.—“In an Apiary run for honey only, are Italians or Hybrids preferable?” C. F. Muth, Cincinnati, Ohio.

1.30 P. M.—Volunteer contributions, from different sources.

3.—“The International Bee Association. It's past and future.” W. F. Clarke, Guelph, Ontario Canada.

The question box committee will receive questions at any time and will appoint different members to answer those that are deemed of sufficient interest or importance.

As this is the first meeting of this International Bee Association west of the Mississippi, it is hoped that the Western beekeepers will make an effort to show what the west can do. A number of ladies are expected as usual. The essayists named in the programme will nearly all be present.

A special room on the same floor as the G. A. R. hall has been secured for the exhibit of bees and their products, or implements, and a special committee will report as to their merits. Articles for exhibition, if prepaid to Keokuk and addressed to the Secretary will be delivered in the proper place free of charge.

The Hotel Keokuk, one of the best hotels in the west, a \$3.00 house, will take members at \$2.00 per day. The McCarty Boarding, in Estes House, on same floor as the G. A. R. Hall, will board members at \$1 per day.

Reduced R. R. fares have been promised, but at the printing of this programme, nothing definite has yet been given.

Parties wishing to attend will be freely furnished all necessary information and reduced R. R. rates if same are to be had.
