

without being cured, he can now write with ease. Will you kindly give an expression to my gratitude in your Annals?"

“ My disease has been a serious one, but I had never ceased to believe in the re-establishment of my health. There was, in the depths of my soul, a sincere conviction that the Precious Blood would cure me, that it was impossible not to heard. *In te Domine, speravi non confundar in æternum!* Glory to the Blood of Jesus!”

In thanksgiving for these, and many other benefits granted, let us often repeat :

“ Blessed and praised forever be Jesus, who hath saved us with His Blood !”

RELIGIOUS NEWS.

JERUSALEM. Great joy prevails among the Catholics of Jerusalem, because the house of Saint Veronica, at the fourth station of the Way of the Cross, is to be converted into a chapel. Monseigneur Jussef, the great patriarch of Antioch, Alexandria, and Jerusalem, went to the latter city to consecrate the new sanctuary. He celebrated Solemn High Mass on the 20th of July, consecrating the church, and at the same time ordaining several scholastics, pupils of the seminary of St. Ann which is under the charge of the White Fathers.

“ SACRED HEART REVIEW.”

SHERBROOKE. On September 13th, a little procession of Religious adorers of the M. P. B., led by the Revd Mother Foundress of the Institute, left the Mother House (St-Hyacinthe) and proceeded to the Episcopal City of Monseigneur Paul LaRocque, to erect there a new Altar for the glory of the Most Precious Blood of Jesus Christ. On the morning of
