TO BIBLE STUDENTS.

A Prize of a Gold Watch Offered by the Publisher of the "Ladies' Journal" to Any One Giving Correct Answers to Three Bible Questions.

The following liberal and munificent offer appeared in the last issue of the "Ladies' Journal," published at Toronto. It may interest some of our readers, so we give it in full:

"We assume that you all read the Bible, more or less, and no doubt you are all more or less interested in it. In order that you may study it still more closely we will give THREE PRIZES to the first three persons sending the correct answers to each of the following questions: 1st. If the word 'Reverend' appears anywhere in the Old or New Testament; if so, where? 2nd. Which is the middle verse of the Bible? 3rd. If the word 'girl' occurs in the Bible; if so, where? Please remember that not more than three prizes are given, and those only when all the answers to the three questions are correctly given; and as more than three may be given, the first three correct ones in the order received will be the successful ones. So don't delay in sending your answer. We will not say which are first or which are correct till our January issue, when the names and addresses of the successful prize winners will be given."

"The first prize, to the first sending a correct answer to each of the three questions will be a LADY'S VALUABLE GOLD HUNTING CASE WATCH, a reliable time-keeper, and one which any lady would be proud to carry. To the second person sending a correct answer to each of the three questions, an ELEGANT NECK CHAIN, HEAVILY PLATED, a very pretty article. To the third sender of a correct answer to each of these questions will be presented a beautiful imitation DIAMOND RING. The prize winners will be required to send in three-cent stamps for postage and registration of the watch, and four three-cent stamps for each of the chain or ring. If your name appears in our January issue as one of the prize winners, send on the requisite postage and the prize will be promptly forwarded."

"The only conditions attached to the above offers are that you must send along with this slip, cut from this paper, fifty cents in scrip or coin, along with your answer, and you will receive the 'Ladies' Journal' for one year. If you are already a subscriber your term of subscription will be extended one year from the end of the time you have paid for. So you see, in any case you will get full value for your half dollar, besides the possibility of getting a really valuable gold watch, neck chain, or ring. Please remember we will not say who sends the correct answer, or in what order it is received, or any information other than what is contained in this notice, until our January issue, when the names and addresses of the successful competitors will be given."

"The 'Ladies' Journal' is a 20-page fashion monthly, containing in each issue two full-size pieces of music, always the latest thing out, besides the sum and substance of all the leading high price American fashion papers. There are full-page illustrations of the newest designs in fashions, with full descriptive letterpress; house-hold hints, items on domestic matters, a short story, young folks' department, besides numerous other interesting matters specially for ladies. You make no mistake in entering into the competition for these valuable prizes. If you do not get the Gold Watch, the Chain, or the Ring, you will certainly get full value for the money in getting the 'Ladies' Journal' for one year. Do not delay.
