PIPANS

ONE GIVES RELIEF.
NO MATTER WHAT'S THE MATTER ONE OF THEM WILL DO YOU GOOD.

Rev. Frederick R. Martin, Pastor of the First Congregational Church, Great Barrington, Mass., and at one time a practicing physician, a graduate of the College of Physicians and Surgeons, New York, says of Ripans Tablets: "The formula has long been in favor with medical men, and the method of preparation in the present form is modern and a great improvement. I always keep a vial of the Tablets upon my dressing table, and use them with confidence whenever occasion arises. For a disturbed condition of the digestive organs I know of nothing so good, and for an 'all round' family remedy I do not believe there is anything better to be had."

HEALTH AND HOUSEHOLD HINTS

A persistent washing and rinsing in milk will remove an ink stain.

Powdered pipe clay mixed with water will remove oil stains from wall paper.

Clear black coffee diluted with water and containing a little ammonia will cleanse and restore black clothes.

Carpets may be kept clean by going over them once a week with a broom dipped in hot water, to which a little turpentine has been added.

To clean marble use common dry salt, which requires no preparation, but may be rubbed directly on the soiled surface, leaving the surface beautifully clean.

A little kerosene is an excellent thing for cleaning a zinc bath tub. Apply with a soft woollen cloth, then wash off with hot water—no soap in it—and polish with powdered bath brick.

White lace and muslin curtains can, with a very little trouble and at a trifling cost, be tinted a delicate shade of ecru, pale pink, heliotrope or green by using colored starches.

Another remedy for a burn, that is so simple that it seems incredible that everyone should not know it, is equal parts of lime water and sweet oil mixed together and applied as often as necessary to keep the burn moist and covered with it.

An excellent cure for hoarseness is to roast a lemon until it is soft all through; do not allow it to burst. While still hot cut a piece from the end and fill the lemon with as much granulated sugar as it will hold. Then eat it while hot.

Vegetable Soup.—One pint of milk, one tea cup of lima beans, one of tomatoes, three carrots, sliced; pepper and salt. Boil for one and a half hours.

Blackberry Syrup, New Style.—Take four pounds of fully ripe Lawton berries and add to them three pounds of granulated sugar and one pound of some tart, well-flavored apples, pared, cored and sliced. Boil all together for forty-five minutes. Skim, pour into glass and cover closely.

Baked Ham.—Soak a ham in cold water over night. Trim it neatly and cover it all over with a thick crust of flour and water. Bake slowly eight hours. Remove the crust and skin; cover the top with fine cracker crumbs slightly sweetened. Place in the oven till the crumbs are brown. When cold, cut in very thin slices.

Mutton Pie With Tomatoes.—Spread the bottom of a baking dish with bread crumbs and fill with alternate layers of cold roast mutton cut in thin slices and tomatoes peeled and sliced. Season each layer with pepper, salt and bits of butter. The last layer should be of tomatoes spread with bread crumbs. Bake three-quarters of an hour and serve immediately.

Pineapple Omelet.—Have ready a tablespoonful of fresh-grated pineapple. Mix together three eggs, a teaspoonful of lemon juice, and a tablespoonful of sugar. Put the omelet into a hot buttered pan, and cook to the required degree; then put in the pineapple, fold the omelet together and turn it out on a hot dish. Dust with powdered sugar and serve at once.

Strawberry Cream.—Add to the beaten yolks of six eggs one and a half tablespoonfuls of flour and seven ounces of sugar; mix the whole thoroughly, and stir it over a slow fire to a smooth cream. Having rubbed one pint of strawberries through a sieve stir the fruit juice into the cream, let it come to a boil, color it with a few drops of tincture of cochineal, and add to it the whites of the six eggs beaten stiff. Pour into a mould and set away to harden.

Macaroons.—To a quarter of a pound of sweet almonds take four teaspoonfuls of orange-flower water, the whites of six eggs and one pound of sifted white sugar. Blanch the almonds (remove the brown skin), and pound them with the orange-flower water, or some of the white of an egg; then whisk the whites of the eggs and add them gently to the almonds. It is important that these two ingredients should be carefully added, or they will "oil" or separate. Sift the sugar into the mixture until the whole forms a paste, not too stiff to drop upon white paper, which should be placed in a tin, or on a plate, and the whole baked in a slow oven till done.
