A man found a covered basket on his steps the other day; but he had family enough and would not touch it, and went and got an officer to come and remove it, and the officer found it contained a watermelon.

When a girl at a picnic wants to get acquainted with a good looking fellow, the chances are seven to one that she'll imagine she sees a snake in the grass and get upon a rock and scream when he's the nearest man to come to the rescue.
