

THE experience of 23 years in Europe and America proves that Nestlé's Milk Food agrees with 93 out of every 100

infants. With such results, it is not surprising that several attempts have been made to imitate this Food, all of which have signally failed. **THERE IS ONLY ONE** true milk food in the world to-day, which is

NESTLÉ'S

made by H. Nestlé, Vevey, Switzerland.

 Send for sample.

THOS. LEEMING & CO., Sole Agents, 25 St. Peter St., Montreal.
