Mr. W. P. Crombie visited the town last week, when the general Y. M. C. A. which had *died out*, was revived, and last week we had the opportunity of addressing the united associations in the waiting room, which was crowded. Altogether the work is full of promise.

GOOD.

HE boys have given Fireman Robinson a new title. He is known as "Preacher Robinson" and we sincerely hope that he may always deserve it, for it proves that he has learned that the Lord Jesus commands and expects his followers to be his witnesses.

ANOTHER WARNING.

HAT might have proved a fatal accident occurred at Grafton about 70 miles east of Toronto, on Monday Sept. 26th, when Brakeman George Chisholm, on account of the link being short, failed in making the coupling, and supposing that things were all right gave the signal to go ahead. When the train made a start he was about to step from the one car to another but fell to the track injuring his leg and back. Every one of these mishaps have voices which we would do well to heed.

"I want—I must have my sins forgiven, for this heavy affliction, this severe stroke makes me realize that this state of affairs is not for ever." He was pointed to "The Lamb of God which taketh away the sins of the world" but he did not then realize that his sins were gone, but remained under the curse of the law until we visited him again, when without ceremony he said, "Do tell me how you got your sins forgiven, and how I may get mine forgiven also." We did so, and again pointed him to the Lord Jesus. "In whom we have redemption through His blood, THE FORGIVENESS OF SINS according
