Abandoned as drawn

NOTES

- (a) The young player will see the result of White's taking the Kt at Q 4.
- (b) P to B 3 there would be attacking, besides strengthening the centre.
- (c) A very useful move at this point.
- (d) White has now two Pawns more than his opponent, but the position of Black's Rooks is very embarrassing.
- (e) P to Q R 4 appears to be a necessary move here.
- (f) P to R 4 at this point would seem to necessitate very careful play on the part of Black.
