A NEW CANADIAN STORY.

MISS DEXIE

A Romance of the Provinces

BY STANFORD EVELETH

Paper, 50c.; - Cloth, \$1.

We have just issued this charming story, written by a Nova Scotia lady. It is one of the brightest, most entertaining stories given us by a Canadian pen in a long time. Those who have read it are delighted with it. The scene is laid partly in New England and partly in Halifax and Prince Edward Island. The characters are admirably drawn, the conversations are bright and clever, there is plenty of interesting incident, with here and there touches of real dramatic power—in deed in all its 426 pages there is not a dry passage. It is a fresh, breezy, wholesome tale that will be read with enjoyment by all who love a good story.

LUMSDEN & WILSON'S FOOTBALL ANNOUNCEMENT

WE thank the many teachers and players throughout the Dominion for the liberal patronage and flattering testimonials received during the past fifteen years that we have been importing and selling the celebrated McKechnie Footballs. We can confidently claim that no other balls stand the wear and tear like this old reliable Scotch make. They do not stretch unequally and become lopsided; the sewing is the best possible. In fact, the 2nd quality of these balls is equal to some fancy finished match balls that are in this market at about the price of our best quality.

We call special attention to **Football Boots**. We have the best style, as used by all leading players in Great Britain, and any Canadian player who has tried them would not like to play without them again.

We also direct notice to McKechnie's new Match Ball for 1895. It is called "The Century," made of horse hide, stretched and waterproof, filled with special heavy rubber, either red or natural color.
