

NEWS AND NOTES.

The New York Herald is printed in Spanish, and sent to Spanish merchants throughout the world.

Eagar's Phospholine will prove exceedingly useful in all those troubles peculiar to women, which occur about the time of the first and last changes in life.

It is believed that one gas jet in a room or hall vitiate the air as much as six human beings.

Dr. Benson's Skin Cure consists of internal and external treatment. Removes humors at same time.

To protect the lungs when riding in the cold, place a folded newspaper over the chest under the outer wrap.

A cough or cold taken between now and Christmas frequently lasts all winter. This is certainly the case with people who have weak lungs. The most convenient, reliable and inexpensive remedy is Johnson's Anodyne Liniment. It is to be used internally and externally.

A Berlin, Germany, bookseller, named Borstele, has a circulating library of 600,000 volumes.

Hundreds of letters from those using Ayer's Hair Vigor attest its value as a restorer of gray hair to its natural color. As a stimulant and tonic, preventing and often curing baldness, and cleansing and soothing the scalp, its use cannot be too strongly recommended.

It is announced that Mr. John Bright will visit America next spring, and it is probable that he will deliver addresses in the great cities of the Union.

REWARD TO ENTERPRISE.

Five years ago, James Pyle, of New York, first introduced his celebrated Pearline to the public, and now the name of Pearline is everywhere a household word, and millions of packages are annually consumed by our intelligent housekeepers.

After much experimenting, a German servant, Dr. Haensel, has succeeded in securing photographs of several lightning flashes. The pictures include part of the landscape, making it possible to estimate the spot where the lightning struck.

Last winter we warned our readers against buying the large packs of worthless horse and cattle powders, and as it is now time to begin to use them, we again urge them not to throw away their money. Sheridan's Powders are strictly pure, but we know of no others that are.

The Transvaal Commissioner at the Amsterdam Colonial Exhibition has presented to the King of Holland a gold nugget of great weight, found in the Transvaal, as a mark of affection of the Boers for the old country.

Trial proves that honesty is the best policy in medicine as well as in other things, Ayer's Sarsaparilla is a genuine preparation, an unequalled blood purifier, decidedly superior to all others.

Italy counts sixty-nine provinces, six of which only, it appears, are completely free of malaria; in twenty-one provinces its ravages are most severe. It has been calculated that more than forty thousand soldiers every year have to pay their tribute to this terrible scourge.

"An ounce of prevention is worth a pound of cure." Take Junket made with Eagar's Wine of Rennet as dessert, or one or two teaspoonfuls of the Wine of Rennet after meals, and you need not fear the enemy Dyspepsia. For sale by M. F. Eagar.

His Royal Highness the Commander in Chief has approved of the distribution of a number of medals for long service and good conduct to the men of the various branches of the army.

St. Lawrence Canals.

Notice to Contractors.

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for St. Lawrence Canals, will be received at this office until the arrival of the eastern and western mail on TUESDAY, the 13th day of November next, for the construction of a lock and regulating weir, and the deepening and enlargement of the upper entrance of the Cornwall Canal.

Also for the construction of a lock, together with the enlargement and deepening of the upper entrance of the Rapide Plat Canal, or middle division of the Williamsburg Canals.

Tenders will also be received until TUESDAY, the 27th day of November next, for the extension of the pierwork and deepening, &c., of the channel at the upper entrance of the Galops Canal.

A map of the head or upper entrance of the Cornwall Canal and the upper entrance of the Rapide Plat Canal, together with plans and specifications of the respective works, can be seen at this office, and at the Resident Engineer's office, Dickenson's Landing, on and after Tuesday, the 30th day of October next, where printed forms of tender can be obtained.

A map, plans and specification of the works to be done at the head of the Galops Canal can be seen at this office and at the lock keeper's house, near the place, on and after TUESDAY, the 13th day of November next, where printed forms of tender can be obtained.

Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation and residence of each member of the same; and further, an accepted Bank cheque for the sum of Two Thousand Dollars must accompany the Tender, which sum shall be forfeited if the party tendering declines entering into contract for the works at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

This Department does not, however, bind itself to accept the lowest or any tender.

By order, A. P. BRADLEY, Secretary. Department of Railways and Canals, Ottawa, 28th Sept., 1883. Oct 10 71
