> AMHERST - Centenary Sunday Schools, -Cape Breton Mission .- We had three glorious and hearty services in our Church on Sunday week. Five Clergymen officiated, Miss Townshend after six months' severe illness was enabled to take the organ again, to the great advantage of Divine Service and gratification of the large congregation. The morning sermon by the Revd. R. Smith Rector, of St. George, Diocese of Fredericton, was an excellent, sound discourse, delivered with energy and clearness. Hely Communion followed, in which service all the Clergy took part. At four o'clock the congregation assembled again when the Rector, Canon Townshend entered at the head of a long procession of Sunday School children, who took their seats in front of the cheir. Au appropriate service proceeded consisting of hymns, psalms, portions of God's Word, the Creed, and two Collects, with two addresses, one by the Rector, and the other by Dr. Uniacke. At seven o'clock a very large congregation assembled; the service was most cheering and hearty. A very interesting sermon was delivered by the Rev. S. Gibbons in behalf of his Missien work in Cape Breton. The Congregation which had only received notice at morning service that day, responded with an offering of \$21,00. Our Rector seems backward in communicating to your paper his good work. I hope therefore you will excuse my intrusion.
