IMPORTANT SALE,

J. G. KENNEDY & CO.

The public are informed that we have determined to dispose of the whole of our extensive Spring and Summer Stock of MEN'S AND BOYS' CLOTHING, HABERDASHERY, etc., at a VERY CONSIDER-ABLE SACRIFICE. The advantages which we offer during this sale, (which has commenced), are —that the entire stock of Clothing will be sold off at a positive reduction of fully ONE-THIRD. We have strictly decided, that during the sale, there will be BUT ONE PRICE MADE.

The character of the Stock—the present reduced prices of it—and the principle of insisting on ONE PRICE as the rule of the sale are facts, (when circulated through the entire City) that must induce any thinking person to spare half an hour for an in-spection of the goods. During the first two weeks, the best of the Stock may probably be bought up by traders in the same business; so that those who can spare a little ready cash, will do wisely by making their call as early as possible.

THE undersigned begs to return his grateful acknowledgments to his numerous friends and customers, for their very liberal patronage during the past ten years. He would, at the same time, remark that while yielding to none other in the quality of his Medicines and the care with which they are dispensed, the charges will only be such as are compatible with a first-class article and a fair, honest profit. Being a believer in free trade in Physic, his store will be found equal to the wants of Allopathists, Homacepathists, Eclectics, Thompsonians, &c., with all the Patent Medicines of the day. As certain interested parties have circulated a rumor crediting him with having an interest in other drug establishments besides his own, he takes this opportunity to say that it is simply untrue. Trusting that the favors of the past will be continued in the future, he remains

GRAY'S SYRUP OF RED SPRUCE GUM.

This Syrup is highly reccommended for Coughs, Colds, Asthma, Bronchial and Throat Affections. RED SPRUCE GUM has always been held in high estimation by the Natives of Canada, and was at one time in great repute, for Pulmonary Affections. Like a great many of our household remedies, its use was derived from the Indians who had the greatest

faith in its virtues. It has been customary to dissolve the Gun in High Wines and then take it mixed with a little water; but the quantity of High Wines swallowed in order to obtain any appreciable effect, is so large that it entirely destroys the Balsamic and Soothing effects characteristic of the Gum. In the above preparation it is offered, to the appreciation of the public, in the form of a delicious Syrup, with all the properties of the Gum preserved. Prepared by
