

A WOMAN'S RESCUE.

AN INTERESTING STORY FROM PARIS STATION.

SUFFERED FOR SIX YEARS FROM NERVOUS HEADACHES DIZZINESS AND GENERAL DEBILITY—PHYSICIANS AND MANY REMEDIES FAILED TO HELP HER—HOW RELIEF AND CURE WAS AT LAST FOUND.

From the Paris, Ont., Review.

So many remarkable stories are published of people who have been almost brought back to life, that the public might almost be excused if they were a trifle skeptical. So far, however, as those relating to cures brought about by the use of Dr. Williams' Pink Pills are concerned there appears to be no reason to doubt their entire truthfulness. The cases reported are carefully investigated and vouched for by newspapers that would discredit themselves were they to distort facts that can be easily investigated by any of their readers. Besides, there are but few localities in the Dominion where this grand healer of the sick has not made itself felt, and the people having proof of its virtues near at home, are quite prepared to accept the statements made as to the results following the use of Pink Pills in other localities.

The Review has heard of much good accomplished by the timely use of Dr. Williams' Pink Pills in this locality, but has recently learned of a case at Paris Station which is of sufficient importance to give the full details for the benefit it may prove to others. The case alluded to is that of Mrs. E. H. Skinner, who is esteemed by a wide circle of acquaintances. To a representative of the Review Mrs. Skinner said she had been for a long time a great sufferer. Her blood had become thin and watery, bringing about a weakness amounting almost to a collapse. There were numerous distressing symptoms, such as dizziness, severe headaches, palpitation of the heart, etc. "I have been ill," said Mrs. Skinner to the Review, "for about six years, and you can form an idea of what I suffered during that time. I had the advice and treatment of some excellent physicians, but without any benefit. I may say that during the six years I was ill I was treated by four different doctors in Brantford and one in Paris, but they seemed not to be able to do anything for me. When the physicians failed I tried many different widely-advised remedies, but with no better results. All this, you will readily understand, cost a great deal of money, and as I derived no benefit, it is not to be wondered that I was completely discouraged. I found myself continually growing weaker, and hardly able to go about, and had almost given up all hope of becoming better. And yet one never wholly desponds, for seeing Dr. Williams' Pink Pills so strongly recommended in the press I determined to try them, and you can see by my condition to-day how much reason I have to be thankful that I did so. I had not been taking Pink Pills long when for the first time in six years I found myself improving. Gradually the troubles that had made my life miserable disappeared, new blood appeared to be coursing through my veins, and I am again a healthy woman, and have no hesitation in saying that I believe I owe not only my recovery but my life to Dr. Williams' Pink Pills." Mrs. Skinner said her husband was also much run down with hard work, but after using Pink Pills feels like a new man.

The statements made by Mrs. Skinner prove the unequalled merit of Dr. Williams' Pink Pills, and as there are thousands of women throughout the country similarly troubled, her story of renewed health will point to them the remedy which will prove equally efficacious in their cases. Dr. Williams' Pink Pills are especially valuable to women. They build up the blood, restore the nerves, and eradicate those troubles which make the lives of so many women, old and young, a burden. Dizziness, palpitation of the heart, nervous headache and nervous prostration speedily yield to this wonderful medicine. They are also a specific in cases of locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, the after effects of la grippe, etc. In men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature. They are sold only in boxes, the trade mark and wrapper printed in red ink, at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, Brookville, Ontario, or Schenectady, N. Y.

WHAT IS

It is a most valuable preparation, restoring to gray hair its natural color, making it soft and glossy and giving it an incomparable lustre. **ROBSON'S HAIR RESTORER** is far superior to ordinary hair dyes, for it does not stain the skin and is most easily applied. One of its most remarkable qualities is the property it possesses of preventing the falling out of the hair, promoting its growth and preserving its vitality. — Numerous and very flattering testimonials from well known PHYSICIANS and other citizens of good standing testify to the marvelous efficacy of **ROBSON'S HAIR RESTORER**. Lack of space allows us to reproduce only the two following:

Testimony of Dr. D. Marsolais, Lavaltrie.

I have used several bottles of Robson's Hair Restorer, and I cannot do otherwise than highly praise the merits of this excellent preparation. Owing to its use, the hair preserves its original color and in addition acquires an incomparable pliancy and lustre. What pleases me most in this Restorer is a smooth, oleaginous substance, eminently calculated to impart nourishment to the hair, preserve its vigor, and stimulate its growth, a substance which replaces the water used by the manufacturers of the greater part of the Restorers of the day from an economical point of view. This is a proof that the manufacturer of Robson's Restorer is above all anxious to produce an article of real value, regardless of the expense necessary to attain this end. It is with pleasure that I recommend Robson's Restorer in preference to all other preparations of that nature.

Lavaltrie, December 29th, 1886.

Testimony of Dr. G. Desrosiers, St. Félix de Valois.

I know several persons who have for some years used Robson's Hair Restorer and are very well satisfied with this preparation, which preserves the original color of the hair, as it was in youth, makes it surpassingly soft and glossy, and stimulates at the same time its growth. Knowing the principle ingredients of Robson's Restorer, I understand perfectly why this preparation is so superior to other similar preparations. In fact the substance to which I allude is known to exercise in a high degree an emollient and softening influence on the hair. It is also highly nutritive for the hair, adapted to promote its growth, and to greatly prolong its vitality. I therefore confidently recommend the use of Robson's Hair Restorer to those persons whose hair is prematurely gray and who wish to remove this sign of approaching old age.
