New York, August 3, 1852.

I do hereby certify that I have been suffering from a pain in my side and breast for a long time, and afa pain in my side and breast for a long time, and after trying many remedies came to the conclusion that my liver was affected. I immediately commenced using Dr. M'Lanc's Celebrated Liver Pills, prepared by Fleming Bros. of Pittsburgh, and the few that I have taken have already given me more relief than all the other medicines I have taken put together. I went to a clairvoyant to consult him; after examining me carefully, he advised me to continue the use of Dr. M'Lanes Pills; that they would effectually

CONTEMPLATE THE LIFE OF MARY!

EDWARD DUNIGAN & BROTHER 151 Fulton Street, New York,

ARE now Publishing, incMonthly Parts, at 25 cents each, and with therexpress approbation of the MOST REV. JOHN HUGHES, D.D.,

ARCHBISHOP OF NEW YORK,

THE LIFE OF THE B. VIRGIN MARY, OF HER MOST CHASTE SPOUSE,

ST. JOSEPH AND HOLY PARENTS,

ST. JOACHIM AND ST. ANNE. Illustrated by fine Steel Engravings, and printed on superfine paper, with Chapter Headings, Borders, and Initial Letters, designed and engraved expressly for this work.

The Life of the Blessed Virgin is by the Rt. Rev. Rumuald Gentilucci, Chamberlain to Pope Pius IX., is dedicated to, and honored with the suffrages of His Holiness, and approved by the Master of the Sacred

Gentilucci's work will ever be remarkable for its unction and beauty of style, no less than for the deep knowledge which it displays of the writings of the Holy Fathers, and all the monuments of ecclesiastical history that can, in any way throw light on the Life of the Immaculate Mother of Our Lord, as handed down in the loving tradition of the faithful

from the age in which she lived.

The Life of Saint Joseph—no unfit companion for the elegant work of Gentilucci—is from the pen of Father Vallejo, 'a Mexican Jesuit of the last century, a work approved by the ecclesiastical authorities in the Roman States, and frequently reprinted.

. .. CONDITIONS :

The Life of the Blessed Virgin, Her Holy Spouse, and Parents, will be published in semi-monthly parts of 48 pages each, with a Steel Engraving and several Wood Cuts in each number, and will, when complete, form a volume of nearly 1000 pages.

OBSERVATIONS OF THE PRESS:

The work having received the approbation of His Holiness, himself, as well as of the illustrious Archbishop Hughes, it only remains for us to say, that it appears to be gracefully translated into our language, and the style in which it is produced, is really superior, both as to its general appearance, as well as to the chasteness of the design, and execution of the illuminated borders which adorn every page of the work.—London Register and Catholic Standard.

No other work of our day, on the same subject, can be compared to it. It is unrivalled for beauty of style and death of erudition. It is the offering of a learned and devoted son of the Blessed Virgin, who enjoys the confidence and friendship, of our most Holy Father, to whom the work is dedicated. We are not more edified at the piety of the author, than astonished at the wonderful erudition displayed in the book. The translator has performed his task admirably.-

The translator has performed his task admiraoly.—
Pittsburg Cutholic.

We cannot too highly recommend it to the consideration of our readers, whether we regard the intrinsic value of the work itself, or the beauty and exquisite ensemble of its getting up.—Truth Teller.

Profusely illustrated with Engravings and vignettes, this work is brought out in such an elegant style, as to make it, exclusive of its literary merit, a fitting library companion to the Bible of the same enterprising publishers.—Detroit Vindicator.

This work is one of devotion and merit. We do not know who translated it, but it seems better than average translations .- Freeman's Journal.

This work, translated from the Italian, and apparently well translated, is by an eminent author, is dedicated by permission to his Holiness Pius IX., and is spoken of in very high terms by competent judges. As far as we have seen it, we like it very much, and think it must prove a great favorite with the children of Mary and all devout Catholics.—Brownson's Re-

INDUCEMENT:

Each subscriber to this splendid work will receive with the last number a magnificent Steel Engraving, suitable for framing, of the

A GREAT HISTORICAL WORK:

THE CATHOLIC CHURCH

IN THE UNITED STATES:

A Sketch of its Ecclesiastical History by Henry de Courcy, author of "Les Servantes de Dieu en Ca-nada;" translated and enlurged by John Gilmary Shen, author of "The Discovery and Exploration of the Mississippi," &c., &c.

POSSESSING great industry and rare talent for historical narration, Mr. de Courcy has grouped together a most admirable sketch of Catholicity in Maryland, Virginia, and the Middle States, from the settlement to the present time; embracing notices of the origin of religious houses and of emigrant Catholics. At the close is a full account of the Mission of the Nuncio, Archbishop Bedini, and an exposure of the slanders decreed against him.

A Work for every Catholic family; it has been encouraged by the suffrages of many Bishops. REMARKS OF THE PRESS :

It would be difficult for us to indicate with what pleasure we welcome this important addition to our Catholic literature.—Truth Teller.

Mr. de Courcy has gathered together in these pages many precious documents towards the future history of the Church in this country .- Freeman's Journal.

The author's and editor's names are well known to Catholic literature.—Buffalo Sentinel.

This work, next to the volumes of the Rt. Rev. Drs. Spalding and Bayley, is the most valuable contribution yet made to the history of the Catholic Church in the United States .- Pittsburgh Catholic.

This is a most valuable book .- Catholic Herald. This book is written in good temper, and, confining itself to facts, avoids personalities and overwarmth of expression.—New York Daily Times.

Mr. de Courcy has here rendered another important service to his co-religionists in the United States .-True Witness.

Went off to be doctored at great expense, but get no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dyscutery. One of our neighbors had it had, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty deliars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, P. Stander.
