

SAVE YOUR DOCTOR'S BILLS.—When Dr. Wistar's Balsam of Wild Cherry will cure coughs, colds, bleeding at the lungs, and arrest the fell destroyer, Consumption, it does more than most physicians can do. A single trial will satisfy the incredulous.

FOLLOW DISEASE TO ITS SOURCE.—Local disease cannot be cured merely by local treatment. For example. No application to the part affected will radically cure the piles. The habit of the body, which is the primary cause of the complaint, must be changed. For this purpose, Bristol's Sugar-Coated Pills, the finest vegetable alternative ever compounded, is the medicine to be used. Costiveness is almost invariably the immediate cause of this distressing disorder. This condition of the bowels is at once changed by the action of the Pills. Indigestion and morbid action of the liver produce constipation. These, too are swiftly remedied by this powerful vegetable agent, and the organs toned and regulated to a condition of perfect health. Thus are the symptoms and source of the disease removed together, and it is at an end forever. It is the same with all the complaints which come within the remedial scope of this great alternative, cathartic, and antibilious medicine. They are put up in glass vials, and will keep in any climate. In cases arising from, or aggravated by impure blood, Bristol's Sarsaparilla should be used in conjunction with the Pills.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE WORTH A MILLION. An Old Physician's Testimony.

READ: Waterbury, Vt. Nov. 24, 1858.

Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or a Cold, for the Group, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article.

I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Downs about it. He informed me of the principal ingredients of the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

READ These Certificates: Montreal, April 28th, 1860.

Messrs. Henry & Co. Your Vermont Liniment has cured me of a Rheumatism which had settled in my limbs and for which blessing you may well suppose I feel grateful.

T. QUESNEL, South Grand St., Montreal, Chemist. Sir—I am most happy to state that my wife used Henry's Vermont Liniment, having accidentally got a needle run under her finger nail. The pain was most intense; but by using the Liniment the pain was gone in a few minutes.

Yours very respectfully, W. GIBSON.

Montreal, Dec. 12th, 1860. Messrs. Henry & Co.

Having, on various occasions, used your Liniment, I am happy to say that I have always found it beneficial. I have frequently used it for Bowel Complaint, and have never known it to fail in effecting a cure. I think it the best medicine I ever used for Diarrhoea, summer complaint, and disorders of a similar character. I have also found it a never failing specific for COLDS, and for affections of the head. I always recommend it to my friends, and would not be without it in the house for any consideration.

REMARKABLE TESTIMONY!

Messrs. PICAULT & SON, Chemists and Druggists, No. 42 Notre-Dame Street, Montreal, have received the following testimony:

MONTREAL, C. E., July 31, 1863.

Messrs. Doctors Picault & Son:

Sirs,—This is to certify that for five years I was troubled with general debility, unable to perform any household duties, and suffering violently from palpitation of the heart.

I was constantly under the influence of a chilly fever, and experiencing awful pain in my whole body. I tried every thing—sought medical advice—but all to no avail. Twelve months ago I was induced to try Bristol's Sarsaparilla, and before I had taken two bottles, experienced a decided improvement; but my means not allowing me to continue its use, I was becoming worse again, when you kindly gave me a few bottles. It was the needed remedy, and its effect on my system was wonderful. I am now another woman; I feel well, eat well, and sleep well, and do all my work without the least fatigue. I cannot too strongly recommend this invaluable medicine to the suffering, and I have not the least doubt they will derive from it the same benefits as I have.

WISTAR'S BALSAM OF WILD CHERRY

Has been used for nearly HALF A CENTURY. With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Laryngitis, Whooping Cough, Group, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, however slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the medicinal gum of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired.

In this preparation, besides the virtues of the Cherry, there are combined with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe, to heal, to relieve, and to cure disease, is in no other medicine yet discovered.

CERTIFICATE FROM L. J. RAONE, Esq., of the Minister: Montreal, C.E., Oct. 20, 1863.

Messrs. W. Fowle & Co., Boston.—Gentlemen.—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy par excellence.

Your obedient servant, L. J. RAONE. Cure for WHOOPING COUGH. St. Hyacinthe, C.E., Aug. 21, 1856.

Messrs. Seth W. Fowle & Co., Gentlemen.—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad for I have great confidence in it.—Yours, P. GUILTE, Proprietor of the Courier de St. Hyacinthe. CERTIFICATE FROM A WELL KNOWN CITIZEN OF CORNWALL. Cornwall, O. W., Dec. 29, 1859.

Messrs. S. W. Fowle & Co., Boston.—Gentlemen.—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy par excellence for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNRE. FROM A HIGHLY RESPECTED MERCHANT AT PRISCOTT, O. W.

I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
